Mental Health Services is a division of the Little Rock School District Student Services Department. This division was established in October 2012 to support students by providing high quality therapy on our school campuses during the school day. The following services are available to students and their families in the District through this division:

- ◆ Information about contracted school-based mental health agencies and the services they provide
- ◆ Variety of resources about behavior management, parenting, drug/ alcohol abuse, ADHD, suicide, depression, grief, anger, teen pregnancy, crisis intervention, and much more
- ◆ On-campus grief counseling for students in the event of student/staff death
- ◆ Assistance with community resources (Medicaid, clothing, food, shelters, etc.)
- ◆ Collaboration with schools to promote physical, social, emotional, and academic well-being for ALL students
