**Arkansas Public District and School  
 General Description for the use of State Categorical Funding**

<b>School</b>	Don Roberts Elementary	<b>LEA #</b>	6001073
---------------	------------------------	--------------	---------

**Introduction**

Act 841 of 2015 established that each district and school will develop and submit to the ADE a general description for the use of state categorical funds. This general description, the list of allowable expenditures found in Special Needs Funding rules, and the related detail in APSCN will be utilized by legislative audit to determine the appropriateness of expenditures. Thus, with the general description of a specific program, it is important to clarify how the funds are being utilized to meet the established intent of the funding, how the expenditure is supplementing above state requirements (except PD), and how the effectiveness of the program activities will be evaluated to determine future continuance or discontinuance of the program, position, or supplemental service.

The team developing the ACSIP plan should consider at a minimum the following rules:

[Student Special Needs Funding Rules](#)

[ACTAAP Rules](#)

In addition to reviewing the rules, the following statutes are applicable to the ACSIP development:

<b>Statute</b>		
A.C.A. § 6-15-425	A.C.A. § 6-15-2106	A.C.A. § 6-17-2402
A.C.A. § 6-15-426	A.C.A. § 6-15-2201	A.C.A. § 6-20-2303
A.C.A. § 6-15-431	A.C.A. § 6-15-2202	A.C.A. § 6-20-2305

**Please provide a general description including the purpose and program evaluation of the NSLA programs, positions, and other expenditures.**

NSLA funds are budgeted to employ an elementary reading teacher and an instructional math facilitator. The reading teacher will provide targeted, supplemental, small group interventions on a daily basis to students in first-third grades and will include kindergarten students the second semester who demonstrate considerable difficulties in reading and/or writing. The instructional math facilitator provides technical support for teachers and interventions for students who have not reached a proficient level particularly students who are economically disadvantaged and students with disabilities.

NSLA funds are provided to employ highly-qualified paraprofessionals who assist in math and literacy interventions throughout the day as well as fulfill other instructional and building duties.

NSLA funds are also allocated to provide an after-school tutoring program geared to meet the needs of our students who are performing at the basic and below basic levels.
