	Priority Score:	2	(3 - highest, 2 - medium, 1 - lowest)
	Opportunity Score:	2	(3 - relatively easy to address, 2 - accomplished within current policy and budget conditions, 1 - requires changes in current policy and budget conditions)
	Describe current level of development:	At present we have a leadership team structure who meets monthly. We have an active PTA that meets monthly. Our teacher instructional teams meet weekly with the math or literacy facilitator. Each team has a specific purpose and scheduled time to meet. Though strong teaming practices are indicators of successful schools, without their establishment in district policy, teams can wane or disappear with changes in school leadership.

	Describe current level of development:	Currently, we have agendas for our monthly professional development meetings, weekly grade level planning meetings, SBIT meetings and CIC meetings. We will prepare agendas and send them out prior to the meetings so members will know what to expect when they get to the meeting. Agendas are not currently being used in weekly after school planning meetings and intermittently in some other meetings. It is our goal to have agendas for all meetings.
