**Arkansas Public District and School  
General Description for the use of State Categorical Funding**

<b>School</b>	Chicot Primary School	<b>LEA #</b>	6001072
---------------	-----------------------	--------------	---------

**Introduction**

Act 841 of 2015 established that each district and school will develop and submit to the ADE a general description for the use of state categorical funds. This general description, the list of allowable expenditures found in Special Needs Funding rules, and the related detail in APSCN will be utilized by legislative audit to determine the appropriateness of expenditures. Thus, with the general description of a specific program, it is important to clarify how the funds are being utilized to meet the established intent of the funding, how the expenditure is supplementing above state requirements (except PD), and how the effectiveness of the program activities will be evaluated to determine future continuance or discontinuance of the program, position, or supplemental service.

The team developing the ACSIP plan should consider at a minimum the following rules:

[Student Special Needs Funding Rules](#)

[ACTAAP Rules](#)

In addition to reviewing the rules, the following statutes are applicable to the ACSIP development:

<b>Statute</b>		
A.C.A. § 6-15-425	A.C.A. § 6-15-2106	A.C.A. § 6-17-2402

To provide supplemental support for early literacy in order to reach the goal of "no students at Below Basic or Basic in Math and Literacy, and virtually all students performing at grade level in reading by the end of Grade 3" (Strategic Plan, 2010 p.11) by 2015, District Categorical funds will be used to employ an ESL Teacher/Interventionist, to provide support to teachers with ELP frameworks, the ESL process, and student modifications.

ELL Funds are used in a supplemental capacity to support the needs of students who struggle to meet their

proficiency targets because of language barriers. ELL funds have been used to employ certified and classified staff. Our certified staff member will support ESL Core Instruction and our classified staff member is our bilingual parent specialist. Our district currently has an evaluation system for both certified and classified employees. We will use these processes to determine the effectiveness of the positions. The total amount of ELL funds allocated and budgeted for our school is \$ 101,859.25. Those funds represent one (1) certified staff member (1@1.00 FTE ) and one (1) classified staff member (1@1.00 FTE ).
