Introduction

Act 841 of 2015 established that each district and school will develop and submit to the ADE a general description for the use of state categorical funds. This general description, the list of allowable expenditures found in Special Needs Funding rules, and the related detail in APSCN will be utilized by legislative audit to determine the appropriateness of expenditures. Thus, with the general description of a specific program, it is important to clarify how the funds are being utilized to meet the established intent of the funding, how the expenditure is supplementing above state requirements (except PD), and how the effectiveness of the program activities will be evaluated to determine future continuance or discontinuance of the program, position, or supplemental service.

The team developing the ACSIP plan should consider at a minimum the following rules:

[Student Special Needs Funding Rules](#)

[ACTAAP Rules](#)

In addition to reviewing the rules, the following statutes are applicable to the ACSIP development:

Statute		
A.C.A. § 6-15-425	A.C.A. § 6-15-2106	A.C.A. § 6-17-2402

NSLA Funds are used in a supplemental capacity to support the needs of students who have not met their proficiency targets. These funds have been used to employ certified staff and provide support for an after-school tutoring program. Our district currently has an evaluation system for both certified employees. We will use these evaluations to determine the effectiveness of the positions supported by these funds. The total amount of NSLA funds allocated and budgeted for our school is \$ 111,937.84. Those funds represent two (2) certified Staff (1@1.00 FTE and 1 @ .50 FTE).The total FTE for staff supported with NSLA finds is 1.50 FTE.
