**Arkansas Public District and School
General Description for the use of State Categorical Funding**

School	Mabelvale Middle School	LEA #	6001062
---------------	-------------------------	--------------	---------

Introduction

Act 841 of 2015 established that each district and school will develop and submit to the ADE a general description for the use of state categorical funds. This general description, the list of allowable expenditures found in Special Needs Funding rules, and the related detail in APSCN will be utilized by legislative audit to determine the appropriateness of expenditures. Thus, with the general description of a specific program, it is important to clarify how the funds are being utilized to meet the established intent of the funding, how the expenditure is supplementing above state requirements (except PD), and how the effectiveness of the program activities will be evaluated to determine future continuance or discontinuance of the program, position, or supplemental service.

The team developing the ACSIP plan should consider at a minimum the following rules:

[Student Special Needs Funding Rules](#)

[ACTAAP Rules](#)

In addition to reviewing the rules, the following statutes are applicable to the ACSIP development:

Statute		
A.C.A. § 6-15-425	A.C.A. § 6-15-2106	A.C.A. § 6-17-2402
