**Arkansas Public District and School  
 General Description for the use of State Categorical Funding**

<b>School</b>	McDermott Elementary School	<b>LEA #</b>	
---------------	-----------------------------	--------------	--

**Introduction**

Act 841 of 2015 established that each district and school will develop and submit to the ADE a general description for the use of state categorical funds. This general description, the list of allowable expenditures found in Special Needs Funding rules, and the related detail in APSCN will be utilized by legislative audit to determine the appropriateness of expenditures. Thus, with the general description of a specific program, it is important to clarify how the funds are being utilized to meet the established intent of the funding, how the expenditure is supplementing above state requirements (except PD), and how the effectiveness of the program activities will be evaluated to determine future continuance or discontinuance of the program, position, or supplemental service.

The team developing the ACSIP plan should consider at a minimum the following rules:

[Student Special Needs Funding Rules](#)

[ACTAAP Rules](#)

In addition to reviewing the rules, the following statutes are applicable to the ACSIP development:

Statute		
A.C.A. § 6-15-425	A.C.A. § 6-15-2106	A.C.A. § 6-17-2402
A.C.A. § 6-15-426	A.C.A. § 6-15-2201	A.C.A. § 6-20-2303
A.C.A. § 6-15-431	A.C.A. § 6-15-2202	A.C.A. § 6-20-2305

**Directions:**

1. Enter your responses.
2. Click "Save" at the bottom of the form to save your responses.
3. To submit your report, return to the Statewide Field Test Dashboard, go to the Required Reports section, and click the Student Special Needs Funding General Description Report "submit" button.

Note: Please review your responses if you are copying and pasting from word. There may be some compatibility issues that will need to be edited. If you must copy and paste, please copy into notepad first.

---

**Please provide a general description including the purpose and program evaluation of the NSLA programs, positions, and other expenditures.**

NSLA Funds are used in a supplemental capacity to support the needs of students who have not met their proficiency targets. These funds have been used to employ certified staff members, paraprofessionals, and support an afterschool tutoring program. Our district currently has an evaluation system used for all certified and non-certified employees and will be used to evaluate the effectiveness of those positions. We will use student's pre/post assessment scores to determine the effectiveness of our after-school program.

The total amount of NSLA funds allocated and budgeted for our school is \$ 363,197.80. Those funds represent 2.0 FTE Certified Staff (2@1.00) and 5.0 FTE Classified staff (5@1.00). In addition to staff, NSLA funds have also been used for an after-school tutoring program (\$20,000.00).
