Introduction

Forest Park Elementary School Ready for Learning Plan is in addition to the LRSD Ready To Learn Plan and created with input from a guiding coalition of parents, students, teachers, administrators and district level staff. This plan is intended to aid in guiding the reopening of our school. The guidelines referenced in this plan are based on guidance from the Arkansas Department of Elementary and Secondary Education (DESE), Arkansas Department of Health (ADH), and the Little Rock School District (LRSD). Regular updates will be based on information provided by the ADH, DESE, and applicable federal, state, and local agencies.

Please read the Little Rock School District Ready to Learn Plan.

Mission

The mission of the Forest Park Elementary community is to provide progressive and differentiated instruction in a nurturing environment that develops life-long love of learning and prepares students for the future.

Safety of Students, Staff and Visitors

Visitors
Visitors will be limited to emergency and/or essential business only. All visitors will be required to complete a screening prior to entering the building and wear a face mask while inside. Parents and guardians will schedule meetings in advance with school personnel.

Many parents bring lunches, backpacks, and other forgotten items throughout the day. Forest Park will have a cart outside the front door for parents to place items labeled with student names and teacher names. It is important to decrease traffic throughout the day to increase safety for our students and staff.

Please read the Arkansas Department of Education Back-to-School Playbook for information on the ADE’s Planning for Reengagement.

Health Protocol
Staff and students of Forest Park are expected to follow LRSD health and safety guidelines. All staff will complete a Covid-19 screening questionnaire daily.

Please review the Arkansas Department of Health Covid-19 Resources and Information.

Staff or students who become ill at school will report to the nurse's station immediately. The nurse will assess and follow LRSD and Arkansas Health Department required protocols for reporting potential cases.

Parents will be contacted to pick up their child. Parents will be expected to pick up their child quickly. While waiting, the student will remain in the isolation directed by the nurse. The school nurse will then follow district and state protocols for reporting potential Covid-19 cases and contact tracing.
Covid-19 Symptom Guidelines
Students who show any symptoms of being sick must stay at home. Please call the office at 501-447-5000 before 9:00 am to report an absence and reason. We ask each parent to check their child’s temperature daily before arriving at school to help mitigate the spread of illness. If a student has any form or contact with someone who has been diagnosed, he/she must stay home for a 2-week period.

The signs and symptoms of COVID-19 include:

• Feeling feverish or a measured temperature greater than or equal to 100.4 degrees Fahrenheit
• Cough
• Shortness of breath or difficulty breathing
• Chills
• Repeated shaking with chills
• Muscle pain
• Headache
• Sore throat
• Loss of taste or smell
• Diarrhea

Check in with your child each morning for signs of illness. If your child has a temperature of 100.4 or higher, they should not go to school. If your child has had close contact with a Covid-19 case, they should not come to school. Please advise the Forest Park school nurse, Pam Kuhn.

Medication
The nurse will dispense daily medication to students on an individual basis according to the child’s needs. Please set an appointment for student medication drop-off curbside through the Forest Park nurse. Please call 447-4505 in advance to schedule.

Social Distancing
Students and staff will be expected to physically distance. All individuals in the building will practice staying 6 feet apart. There will be hallway floor markings and signage in common areas to encourage physical distancing.
Face Covering Required for Personnel and Students
Anyone who enters the building will be expected to wear a face covering. LRSD will provide face coverings to all providing in school instruction to students. Face coverings should be school appropriate.

In conjunction with the LRSD plan, if a student refuses to wear a face covering, his or her parent/guardian will be notified. If the behavior continues, the student will be assigned to the virtual learning environment.

Communication
Forest Park will communicate to families using the following:
- Forest Park Web Page
- ParentLink Principal Emails and Phone Calls
- Classroom Teacher Weekly updates through Schoology
  Schoology parent training will be provided.
- Teacher/Parent Emails and Phone calls as needed
- Student Agenda Books used daily for grades 1-5
  The Agenda book contains the Forest Park Handbook, 7 Habits for Students,
  Personal Goal Setting, daily assignments, parent reminders and essential resources
  in the back of the book.

Sanitation
Forest Park school building is sanitized multiple times daily in specific common areas using health regulated products for public schools. Custodians follow the LRSD Facility guidelines and protocols for cleaning classrooms, restrooms, cafeteria, and hallways. In addition to LRSD provisions, the Forest Park PTA is planning to supply touchless hand sanitizer dispensers for each classroom. Hand sanitizing stations are placed throughout the building for use when needed.
