
Setting Up Your Parent Portal Account

Setting up your parent portal account is easy. There are two ways this can be done. Here is the first option.

OPTION 1- EMAIL OR MOBILE

The web address for the parent portal is <http://parents.classlink.com/lrsd>

If you have an email address or wireless number on file in the student registration system, choose either **EMAIL** or **PHONE**, then add that information in the blank and select **NEXT**. (**LRSD employees will have access in their employee portal.**)

The screenshot shows a web interface for setting up a parent portal account. On the left, there is a form with the following elements:

- Header: "Welcome to the LRSD Parent Portal!"
- Two tabs: "USING EMAIL" (selected) and "USING PHONE".
- Section title: "Enter your Email"
- Input field: A text box containing the placeholder "email@domain.com".
- Button: A blue button labeled "Next".

On the right side of the form, there is a cartoon illustration of a person sitting cross-legged, holding a laptop. The laptop screen shows a lightbulb icon. Surrounding the person are various icons: a cloud, a plus sign, a lightbulb, a pencil, a notepad with a checkmark, a speech bubble, and a plus sign.

When you enter an email address or cell phone number, you will be sent a one-time code that will allow you to setup your account.

OPTION 2- PARENT CODE FROM STUDENT ACCOUNT

Another way to setup your portal is to use a parent code. To get the parent code, you will need to log into your child's Classlink account.

Go to <http://myclasslink.com/lrsd>

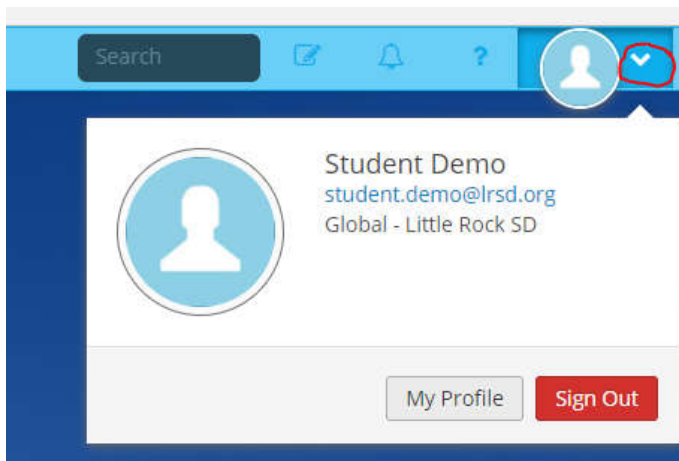

The screenshot shows the login interface for Little Rock School District's iCONNECT system. At the top left is the district's logo, a blue shield with a torch. To the right of the logo, the text reads "LITTLE ROCK SCHOOL DISTRICT" and "iCONNECT" below it. Below the header are four input fields: "Username", "Password", a teal "Sign In" button, and a blue "Sign in with Google" button with the Google logo.

The student username is First name . last name and the first the 3 numbers of their student ID.
Example: john.smith123 (note: some students may have two last names. Check with your child)

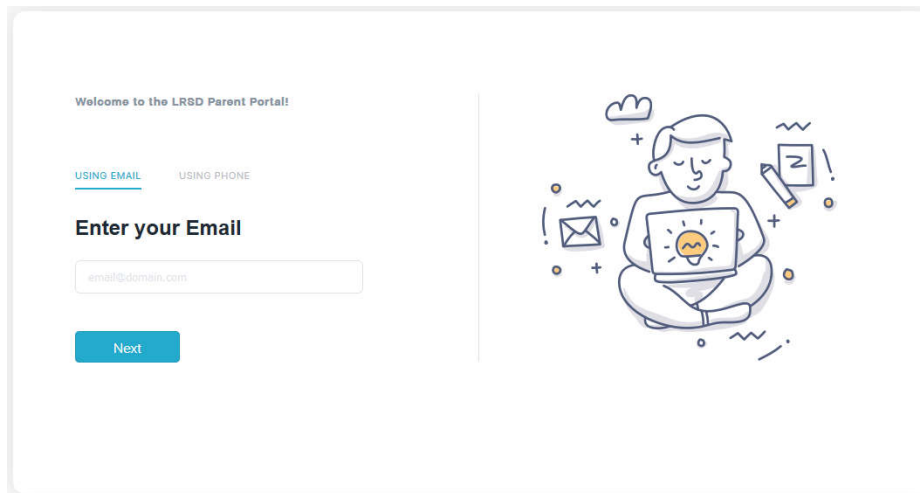

- In the top right-hand corner of the page, click the icon to the right of the profile image.
- Then select **MY PROFILE**

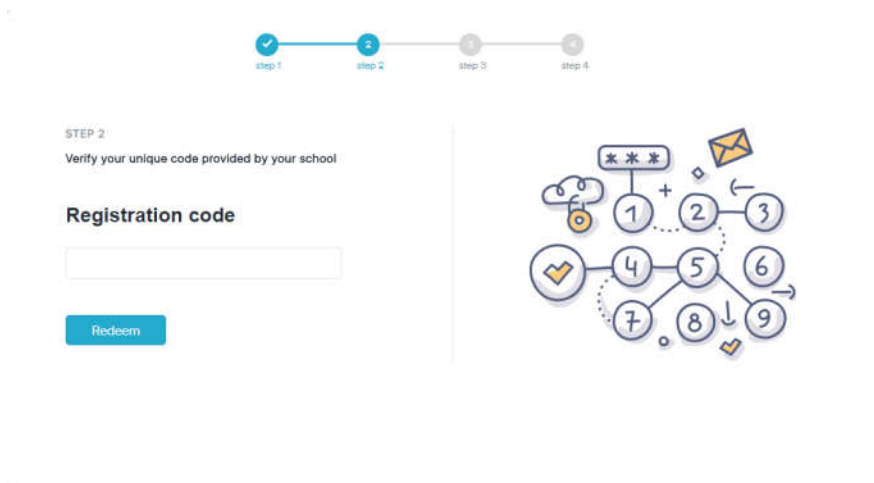

Scroll to the bottom of the screen until you see the **Parent Code** section. Click the blue **COPY** icon to copy the code.

You can choose to enter an **email address** or **wireless number** as your way of logging into the **Parent Portal**

- Add your Parent Code to Setup the account
