

Fourth Grade News

August 13, 2021

Hello 4th Grade Rangers,

My name is Virginia Yeatman, and I am your teacher this year! This is my 17th year teaching elementary school, and my 12th glorious year at Forest Park! I have a BA from Rhodes College. I majored in History. I have two grown children, Ellen and Chris. Both of my children graduated from Forest Park under the great leadership of Mrs. Ketcher.

Thank you in advance for your patience and persistence this year, as we all navigate unpredictable technology, new math curriculum, and safety protocols to keep each other healthy while learning.

The first day of school is Monday, August 16th. You will drop off your child on the 4th grade side (east) of the building, carpool style. Only essential personnel and staff are allowed on campus. Please refer to the Forest Park Elementary Ready for Learning Plan for more information [here](#).

Last night's school board meeting resulted in a district wide mask mandate. I am fully vaccinated and will do everything in my power to continue to provide the safest place possible for learning this year. We have a relatively small class size and we will be intentional with social distancing and handwashing.

I am so grateful to be part of such a wonderful school family. I can't wait to see your smiling, masked faces on Monday!

Love,

Ms. Yeatman
