

Meet Ms. Holmes!

I am from Little Rock, AR. I graduated from Little Rock Central High. I went to college at the University of Arkansas at Fayetteville and graduated with a degree in education (BSE). I began teaching in 2000 and started working at Forest Park in 2004. Before coming to Forest Park, I taught kindergarten for two years and fifth grade for two years. Since being at Forest Park, I have taught the third grade. I enjoy laughing and learning new things. I love teaching at Forest Park. The staff, students, and the support and involvement of our parents make Forest Park super special.
