

# Meet Mrs. Tanner!

My name is Randi Tanner. I was born April 25, 1991 in Amarillo, Texas. My family moved a lot when I was younger. We lived in Texas and Florida for several years before moving to Bryant, Arkansas when I was in 2nd grade. Throughout elementary, middle, and high school I played soccer and basketball. Bryant is where I graduated high school in 2009. I then graduated in 2013 with a degree in Early Childhood Education from Arkansas Tech University. I went back to school to get my Gifted and Talented masters degree my first two years teaching through Arkansas State University. I will graduate this December with my EdS. in Principalship through Arkansas State University. This is my ninth

year teaching. I spent six years in the Bryant School District teaching 1st, 3rd, and Gifted and Talented. This is my third year at Forest Park Elementary. My husband and I met after college and got married in 2017. We moved to the Little Rock area in 2019. We do not have any children yet. My mother is a teacher in Bryant and my father is in sales. I have one sister that is a labor and delivery nurse at Baptist Hospital.
