

Meet Ms. Duck!

My name is Erin Duck. I grew up in Nashville, TN where I developed a love for music of all kinds and a dislike of traffic! I have a Bachelor's of Science from the University of South Carolina, where I majored in International Business and Economics and minored in German and Sociology. I became a teacher because I believe that the best way for me to work to make the world a better place is by working in a classroom. I was a Teach for America Corps member in the Mississippi Delta, where I taught 2nd Grade for three years. I moved to Arkansas in 2017, and taught 3rd Grade for 2 years at Baseline Academy. I have been at Forest Park since 2019, and I love our special school community.

My love for reading and passion for literacy education inspired me to attain a Masters of Education in Reading at University of Arkansas Little Rock. I am a certified Dyslexia Therapist and Reading Specialist. I am currently trained in Orton-Gillingham reading instruction and Cognitively Guided Instruction for math. When I am not teaching, I am enjoy spending time with my cat (Potato) or exploring the Natural State with hiking, outdoor yoga, or the occasional road trip!
