

Meet Mrs. Walter!

My name is Amy Walter and I am a Pre-K teacher here at Forest Park Elementary. I have taught Pre-K at this wonderful school for 11 years and was fortunate to do my student teaching here as well.

I am married to my husband, Philip, and we have a 12-year-old son named Ian. We also have a beautiful Golden Retriever named Obi and a spunky Labradoodle named Tallulah who both keep us on our toes! We love to hike, camp, go to music festivals, and just be together.

I love watching my little Pre-K learners blossom. We have so much fun in my classroom while we learn, play, and grow together!

For more information about our fun days in Pre-K, please visit our classroom!
