

Meet Mrs. Pitcock!

My name is Madeline Pitcock, and I teach Kindergarten at Forest Park. This is my third year at Forest Park and my fifth year teaching Kindergarten. I got my Bachelor of Science in Early Childhood Education from Texas Christian University in 2014. I then received my M.Ed. in Special Education from Texas Christian University in 2015. I began my teaching career in Dallas, TX but moved home to Little Rock, where I was raised. I am married to my college sweetheart Robert, and we love to spend time cooking, going to TCU football games, and traveling.
