Dear Parent/Guardian(s),

This year the Arkansas Department of Education is allowing Little Rock School District (LRSD) to participate in Alternative Methods of Instruction (AMI) on inclement weather days, "Snow Days," or any other day the district chooses to use an AMI day. This means that on these days' students must complete one day’s worth of assignments for each day school is closed due to snow, ice or unforeseen circumstances.

This packet contains 5 days of assignments, which are labeled “Day 1,” “Day 2,” and so on and so forth. When students return to school, they must return their completed work to their teachers, and they will be counted present for school on the missed day(s).” Therefore, missed days will not have to be made up at the end of the school year, but a high percentage of student participation is required.

Please put this packet in a SAFE PLACE. It will be the family’s responsibility to keep up with all assignments to complete. When there is snow or ice in the weather forecast, you must wait for LRSD to announce that schools will be closed via district website and local news and radio stations. Then let your student get started on this packet. Teachers will be available by email to assist their students as needed.

The Watson staff is excited about the opportunity to participate in AMI. In order to ensure success with AMI, “Snow Day” packets will be accessible on our school page on the LRSD website, Facebook, and Class Dojo. We greatly appreciate your support in this effort!

Thank you,

Stephanie Walker, Principal

Snow Day Packet / Alternative Methods of Instruction (AMI)

Estimado padre / madre / tutor (s),

Este año, el Departamento de Educación de Arkansas permite que el Distrito Escolar Little Rock (LRSD) participe en Métodos Alternativos de Instrucción (AMI) en días inclementes del clima o "Snow Days". Esto significa que en "Snow Days" los estudiantes deben completar un día de el valor de las asignaciones para cada día de escuela está cerrado debido a la nieve o el hielo.

Este paquete contiene 5 días de tareas, que están etiquetadas como "Día 1", "Día 2", y así sucesivamente. Cuando los estudiantes regresan a la escuela, deben devolver el trabajo completado a sus maestros, y serán contados como presentes para la escuela en el "Día de Nieve" que se perdió. Por lo tanto, los días perdidos no tendrán que recuperarse al final de el año escolar, pero se requiere un alto porcentaje de participación estudiantil.

Por favor, ponga este paquete en un LUGAR SEGURO. Será responsabilidad de la familia mantenerse al día con todas las tareas para completar. Cuando haya nieve o hielo en el pronóstico del tiempo, debe esperar a que LRSD anuncie que las escuelas se cerrarán a través del sitio web del distrito y las noticias y estaciones de radio locales. Luego, permita que su estudiante comience con este paquete. Los maestros estarán disponibles por correo electrónico para ayudar a sus estudiantes según sea necesario.

El personal de Watson está entusiasmado con la oportunidad de participar en AMI. Para garantizar el éxito con AMI, los paquetes de "Día de la nieve" estarán disponibles en nuestra página de la escuela en el sitio web de LRSD, Facebook y Class Dojo. Agradecemos mucho su apoyo en este esfuerzo!

Gracias,

Stephanie Walker, directora
