RATIONALE FOR SCHEDULE AND LOCATION OF CLASSES

The Little Rock School District Adult Education has been in operation since 1977. Over the course of these 42 years, many schedules have been used to meet the needs of the adult students. These schedules included morning classes, afternoon classes and evening classes. Schedules have been set for 2 evening a week and 2 days a week at different times, as well as 4 days a week.

Classes are held at the following locations:

1. LRSD Adult Education Center – Main Campus
2. Little Rock Workforce
3. Central Arkansas Correctional Center
4. Pulaski County Detention Center

Current Class Schedules

Currently, class schedules are set for morning and evening classes, and one afternoon class. As class time reviewed, it was noted that afternoon classes were usually very poorly attended. Some of the reasons for this include but are not limited to:

- Many adults have school age children and elementary school dismisses at 2:30 p.m. and the parents must be home.
- Adults have jobs and their jobs generally start near 8:00 a.m. and end at 3:00 p.m. or start at 3:00 p.m. and end around 11:00 p.m.
- Students recommended time based on their need.
- The afternoon citizenship has maintained an attendance of three people. Five total have entered this class, and two have successfully passed the federal citizenship test and have been sworn in as US Citizens during this school year.
- This demonstrates the weakness in afternoon classes when it comes to attendance.
- Evening classes provide a necessary service for those who work during the day.

As a result of the above information, classes were set as follows:

LRSD Adult Education Main Campus

The main campus is located at 4800 W. 26TH Street in Little Rock, Arkansas. The center is open from 8:00 a.m. until 3:30 p.m. Monday and Wednesday. The center is open from 8:30 a.m. until 8:00 p.m. Tuesdays and Thursdays. Evening classes start at 4:30 p.m. and end at 8:00 p.m. on Tuesday and Thursday evenings.

Workforce

Workforce is mandated by the State Adult Education Department. The hours are 8:00 a.m. until 12:00 noon, Monday through Thursday. Testing is done Tuesdays from 11:30 a.m. – 4:30 p.m. and Friday from 8:00 a.m. until 12:30 p.m. In support of the Workforce location. Workforce sees approximately 80% of its clients from 8:00 a.m. until 12:00 noon and after completing their paperwork, students are assigned TABE Testing. Some clients are only available in the morning and this is the reason we have a morning testing session. Students may also test at the Main Campus. If they are unable to test at the workforce location.

"The Little Rock Adult Education Center provides equal access to all programs and activities."
CACC AND PCDC

Detention facilities were selected to help incarcerated students to be better prepared when they rejoin society. Both locations conduct morning and afternoon classes M-Th from 8:30 a.m. until 11:30 a.m. and 12:30 p.m. until 3:30 p.m. These classes demonstrate that society has not given up on them and that we want to help them be successful when they have completed their obligations.

➢ FERPA – The Family Education Rights and Privacy Act; which applies to all schools that receive federal funds, and it provides parents certain rights with respect to their child’s educational records.

➢ IDEA – Individuals with Disabilities Education Act – Ensures equity, accountability and excellence in education for adult with disabilities; and it outlines special education procedures and specifies special education files as confidential and protected, in addition to FERPA.

➢ PRRA – Protection of Student Rights Amendment – Ensures that schools and contractors make instructional materials available to parents for inspection if they will be used in an ED funded survey, analysis or evaluation in which the student will participate; and ensures that the schools and contractors obtain consent before minor students participate in those Ed funded surveys, analysis or evaluations that reveal information.

Confidential Education Records: Records, files, documents and other materials which contain information directly related to a student and are maintained by an educational agency or school district, or by a person acting for such agency or institution; and everything in institutional records maintained for each student and is used in making decisions (including placement in Special Education) that affect the life of the student. — ALL CONFIDENTIAL

Type of Education Records – IEP’s 504 plans, Test Protocols, and emails (if they are maintained by the district and contain personally identifiable information about a student either in electronic or hard copy format). Do Not put negative statements about students in emails. Even if you delete them, they can be pulled from the server when the district receives FOIA requests.

✓ Parents have the right to review all records; their consent must be obtained before any testing is done in regards to special educations, placement, and before any information is disclosed or released about their child.

✓ All Special Education files are to be kept locked, with a record of access documented of anyone who accesses the file for legitimate educational reasons. Parents may access them at any time.

Disciplinary Policy

Students violating the established rules and regulations code of conduct as set forth in the Little Rock Adult Education Student Handbook and the Little Rock School District Handbook will be referred to the Coordinator for determination of consequences in accordance with guidelines. The faculty and staff at the Little Rock Adult Education Program are committed to helping our students reach their goals. In return, we expect our students to conduct themselves in an adult manner and they will be treated with all the respect and courtesy normally offered to adults. We, the faculty and staff, expect the same treatment.

NOTE: The Adult Education Program is open-entry, open-exit, and manage enrollment, and failure to follow the rules and regulations of both the Adult Education and the Little Rock School District may result in suspension or expulsion from one or all of the program locations. The Adult Education Program reserves the right to deny enrollment or continued participation to student who disrupt class or who violate any other policies established by the local Adult Education Program.

Restorative justice is a practice of utilizing non-punitive approaches to disciplinary referrals, suspensions, and expulsions. It can improve the school climate, foster more positive relationships with student and school staff, and decrease discipline disparity. LRSD is working toward a more restorative environment that empowers and encourages students to resolve conflicts on their own and in small group.

The LRSD Adult Education desires to utilize removal from our program as a last resort in discipline strategies. The Adult Education director will be notified of all discipline issues. The LRSD Adult Education director will determine all disciplinary consequences for the Adult Education Program. If a student or teacher is unsatisfied with the directors’ discipline recommendation the student or teacher can appeal the director’s decision to Shameka Montgomery (shameka.montgomery@lrsd.org) by setting up an appointment to meet with her.

Possible disciplinary alternatives:

1. Alternate classroom.
