

## LITTLE ROCK SOUTHWEST MAGNET HIGH SCHOOL

9715 Mabelvale Pike • Mabelvale, AR 72103 501-447-9100

LITTLE ROCK  
SCHOOL DISTRICT

January 28, 2022

Dear Parents, Guardians, & Students,

It is time to begin pre-registration for classes for next school year. Little Rock Southwest Magnet High School is excited to have a wide range of course offerings including; advanced placement (AP), advanced (Formerly PAP) other electives such as art, drama, career and tech and the work programs for juniors and seniors.

Our current 9<sup>th</sup> grade (Freshman Academy) students will choose the academy that they will remain a part of for the next 3 years of high school. These students are in a unique position to be completers and/or concentrators in one of our 3 Ford Next Generation Learning Academies or one of the plus 12 academies.

We are also excited to offer concurrent enrollment classes in which student can earn college credit through U. A. Pulaski Tech and U.A. Little Rock.

The counseling department will begin meeting with the students January 31, 2022 and conclude the process by March 11, 2022 to help finalize course selections. Your child will be given a copy of the course selection form for you to **review the courses selected**. Feel free to make changes to the courses on this form, sign and return it immediately. In the event we do not receive your signed copy of the form with changes, we will use the courses selected by students.

As a reminder, all students are required to have a full schedule of 8 classes unless they are in one of our work programs and are enrolled in an internship or work based learning. (Juniors and senior only)

*\*\*Attached are the graduation requirements, please review.*
