Applications for admission are being accepted at www.lrsd.org and click “Student Registration” or call 447-2950.

**DIRECT CAREER PATHS OF OPPORTUNITY**

**COMPUTER SCIENCE**
Come experience our new and innovating computer science pathway through Project Lead the Way. Students will take coding and robotics to a whole new level! Featuring project-based learning in a hands-on, high-tech lab!

**HEALTHCARE**
This is more than just your typical science class. Explore the world of healthcare and science through Project Lead the Way Biomedical Science. Working with the same tools as professionals, students engage in hands on activities to solve real-world problems!

**MEDIA ARTS**
If you have a passion for graphic design and digital art — then this pathway is right for you! Experience the world of graphic design and 3D imaging in an engaging and collaborative group setting!

**Esports** — only sanctioned LRSD school to offer Esports gaming! Esports promotes conceptual thinking, teamwork and sportsmanship through online gaming competitions.

**AND MORE...**
