Early Childhood Education

The foundation of a child’s education is vitally important. The LRSD offers a free pre-school education of exceptional quality so your child will have a great start to his/her education. Pre-Kindergarten classes are located throughout the district in both elementary schools and early childhood centers.

Chicot ECC, Geyer Springs ECC, and Romine ECC offer three- and four-year-old classes. Fair Park ECC offers four-year-old classes only.

Rockefeller offers a program for children six weeks to four years; there is a monthly charge for children six weeks to two years (vouchers are accepted). There is NO fee for three or four-year-old children.

LRSD is the state’s largest provider of public early childhood services. Every classroom has a certified lead teacher and highly-qualified aide. Recent national skills test results show that at the end of 1st grade, LRSD Pre-K students from every economic level, outperform students who have not attended a LRSD pre-kindergarten program in every skill category (Reading, Language and Math).

Open Enrollment
Take advantage of unique and innovative educational opportunities by enrolling in one of LRSD’s schools during Open Enrollment, November 28 - December 9, 2022. You can enroll your child in pre-Kindergarten or Kindergarten, sign up for a magnet school, transfer to a new school or transfer from another district into the LRSD during this period.

Recruitment Open House
• Tues., Nov. 1, 2022 Cloverdale, Dunbar, Forest Heights STEM Academy (grades 6-8), JA Fair (grades 6-8), Mabelvale, Mann, Pinnacle View & Pulaski Heights Middle 6pm
• Wed., November 2, 2022 Hall 5-6pm, LR Southwest 6-7pm,
• Thurs., November 3, 2022 LR West 6pm, Parkview 6pm, Central 7pm

Academies
LRSD operates three specialized academies which offer unique learning opportunities.

IGNITE Digital Academy is LRSD’s only virtual option. IGNITE serves students K-12 who attend online and work with LRSD instructors to complete learning activities, both teacher-guided and independently, that adhere to the same standards, concepts and graduation requirements as students in traditional classrooms.

Baseline Academy offers a uniquely focused literacy and language program, which supports the development of a strong base of foundational literacy and reading skills for English Language Learners (ELL) and all students.

Forest Heights STEM Academy is currently the only K-8th grade STEM school in Arkansas. The school utilizes the hands-on science, technology, engineering and math curricula developed by Project Lead the Way (PLTW). PLTW programs give students project-based experiences that help to link math and science concepts to real-world problem solving. All Forest Heights STEM Academy students benefit from 1:1 technology opportunities.

Ford Next Generation Learning
Little Rock School District high schools began implementing career academies as part of the Academies of Central Arkansas during the 2020/2021 school year. This transformative way of teaching, blends career and technical education with core academics and prepares students who will graduate from high school ready for college, careers, lifelong learning and leadership so they can compete successfully in the modern economy.

Academies of Central Arkansas:
• Ensures student success
• Will include ALL students
• Provides personalized learning
• Gives students choices
• Supports teachers
• Provides students with real-world experiences
• Teaches relevant curriculum aligned with local business partners

Magnet Programs
From music/drama to international studies and science, LRSD has a magnet program to engage your child! Magnet programs allow students to concentrate their studies in specialized areas. You may register for a magnet program during the open enrollment period (Nov. 28 - Dec. 9, 2022). Assignments are made via a computerized scramble based on the number of seats available at each school.

Assignments will be made by computerized scramble. All students wishing to apply for a magnet seat at Parkview Arts/Science Magnet High School will be required to audition in all areas, to include Dance, Drama, Visual Arts, and Vocal Music. Following the auditions 50% of the available seats will be filled based on the scoring rubric in each area. The remaining 50% of seats will be filled with the traditional lottery system.

All Science, Band, and Orchestra seats will be filled through auditions in order to gain admission. Qualifying Forest Heights STEM applicants will receive a weighted priority if applying for Parkview Science. (See lrsd.org for specific application information)

School assignment notification will be available electronically mid February 2023. Active students 2023-24 assignment can be accessed via the student’s email address.

How to Register
To register a student, you can use the online student registration gateway at www.LRSD.org/register or visit the student registration offices at the addresses below:

K-12 Students: LRSD Student Registration Office 501 Sherman St. (at Capitol Ave.) • Little Rock, AR 72202 • 447-2950
Pre-K Students: Geyer Springs Early Childhood Center 5240 Mabelvale Pike • Little Rock, AR 72209 • 447-7360

You will need:
• Your child’s official birth certificate, passport, military ID card or other documentation provided by law (ACA 6-18-208)
• Your child’s Social Security card/number
• Two forms of proof of residence - acceptable forms of proof: current lease agreement, utility bills less than 30 days old (cell phone bills will NOT be accepted) or offer and acceptance contract from a real estate purchase. All forms of proof must be in the parent’s or legal guardian’s name. A notarized Double-Up Form is required if no utility bills are in the parent/guardian’s name or if the parent is living with another party.
