c. Student Growth and Achievement: use data for correct placement; improvement in student achievement

d. Culture: Safe Environment and Parent Involvement

e. Celebrations Overview

3. Mr. Powell answered questions from Mrs. Fox about the Board about specific initiatives being used to achieve goals presented. He also answered questions from Mr. Wood about readiness levels. Mr. Powell answered questions from Mr. Wood about the school’s parent involvement plan. Mr. Powell said that the school will host events at the school and will reach out to parents by going out into the community. He then answered questions about the suspension rates. Mr. Powell said that teacher attendance at Pulaski Heights is good.

4. Mr. Wood asked Mrs. Minor about teacher attendance at Otter Creek. She said that according to the most recent attendance audit, their attendance is great.

V. 2017-2018 Budget Finalization

b. Highlights of the presentation included comparisons in tax revenue; loss of revenue tied to meal applications; loss of funds tied to desegregation settlement; facility improvements, decrease in staffing and excess vacancies; personnel expenses; debt service transfers, salary bonuses for 2017-2018; overall decrease in fund balance by about $10M.

c. The Board did not have a quorum to vote to approve the budget.

VI. Policy Development

a. First Readings – Sections 1, 2, 3 and 8

i. Eric Walker, Staff Attorney, reviewed sections 1 and 2. There were no questions from the Board. Mr. Walker then reviewed section 3 and addressed questions from the Board concerning teacher assignment, employee background checks, removal of students from the classroom, master schedule responsibilities. Mr. Walker reviewed section 8. There were no questions from the Board.

b. Second Reading – Section 4.4

i. Eric Walker reviewed section 4.4 which outlined guidelines for approval of student transfer outside of the District.

ii. The Board did not have a quorum to vote to approach the policy revisions.

VII. Social Media – Media Impact

a. Pamela Smith, Communications Director, presented an overview of the District’s approach to social media and the utilization of Meltwater, a software program that aggregates data from various social media platforms to offer an overall picture of public sentiment. Ms. Smith answered questions from the Board.

VIII. Community Comments – There were no comments from the public.

IX. Board Comments
a. Mr. Wood asked Mr. Poore to give a brief overview of the next steps for the master facility plan. Mr. Poore reminded the audience that they can complete a survey before and after the recommendation of the plan is presented to the public.

X. Adjournment – The meeting adjourned at 8:10 pm
