

EXECUTIVE SUMMARY

Topic: Middle School Summer School / High School Credit Recovery 2019

Short Summary

The 2019 HS Credit Recovery was successful with passing completion rate of 72.81%. While MS Summer School was highly successful with a passing rate of 97.61% of students completing their classes with passing grades.

ACC added to the district's graduation rate by making it possible for 47 students to receive their high school diplomas.

Background:

HS Credit Recovery started in LRSD in about 2006 with Parkview HS being the pilot school. Traditional teacher led instruction still occurs in the middle school setting. There are now some blended learning opportunities for the middle school students.

Evaluation:

MS Summer School / HS Credit Recovery has proven itself as a valuable tool for the success and advancement of our students. It has positively impacted our overall graduation rate.

Recommendation:

Action Steps for Board of Education

Action Steps to be taken:

- Consider if community or staff needs to see this.
- Continue this vital program.

Key Points:

47 students graduated high school
557 half credits were earned
205 middle school students were able to rise to the next grade

Key Players:

Eric Henderson, Coordinator of MS Summer School / HS Credit Recovery
MS Summer School / HS Credit Recovery Principals & Staff
Joyce Holmes, Executive Assistant to Secondary Education

Fiscal Impact

The budget for the summer of 2019 was approximately \$444,139.66

Date submitted: August 12, 2019
