Welcome to the April meeting of the Community Advisory Board.

Before we proceed any further, I would ask that everyone silence all of their communication devices. If you do receive a call, please step outside of the room to carry on a conversation.

We will proceed with this meeting as noted on the Agenda.

Near the end of the meeting, there will be an opportunity for public comment. If you have not already done so, please sign up on the form by the door for public comment. There will be a three-minute time limit for each person who has signed up to speak. There is not an opportunity to yield time to other speakers. Everyone signed up will be afforded three minutes.

Please remember when speaking that we respectfully request that you refrain from negative and disparaging remarks against individuals. Please keep comments limited to the issues and respect the 3-minute limit. We strive to be respectful of all points of view and request the same during public comment.

Thank you so much for your cooperation in advance.

We will now begin the meeting with Celebrations from Mr. Poore.
