The Little Rock School District assumes the responsibility of providing students attending its schools a high quality education that challenges each student to achieve to their maximum potential. The District shall endeavor to create the environment within the schools necessary to attain this goal. The creation of the necessary climate shall be based on the following core beliefs:

1. The District’s vision statement will be developed with input from students, parents, business leaders, and other community members.

2. All students can be successful learners.

3. Students learn at different rates and in different ways.

4. A primary goal shall be to give students the skills they need to be life-long learners.

5. The education of all citizens is basic to our community’s well-being.

6. Student achievement is affected positively by the involvement of parents and the community in the schools.

7. The District is responsible for helping cultivate good citizenship skills in its students.

8. Students reflect the moral and ethical values of their environment.

9. All people have a right to a safe environment.

10. Each person is responsible for his/her own actions.

11. Innovation involves taking risks.

12. Schools are responsible for creating the conditions that promote success.

13. Each person is entitled to retain his/her dignity.

14. All people have the right to be treated with respect and the responsibility to treat others respectfully.
15. For teachers to succeed in cultivating high student achievement, they need to be given the materials, training, and environment necessary to produce such results.

*These are sample core beliefs and should serve only as an example. Your district should create its own list of core beliefs.*

5.2—PLANNING FOR EDUCATIONAL IMPROVEMENT

Each school in the district, in collaboration with administrators, teachers, other school staff, parents, the community, and students, shall develop a school-level improvement plan (SLIP) to:

- Establish goals or anticipated outcomes based on an analysis of students’ needs;
- Identify student supports and evidence-based interventions and practices to be implemented;
- Describe the professional learning necessary for adults to deliver the supports or interventions;
- Describe the implementation timeline for monitoring of the interventions and practices for effectiveness;
- Describe the timeline and procedures for evaluation of the interventions and practices for effectiveness; and
- Evaluate and modify a parent, family, and community engagement plan.

Some of the data that shall be considered when developing the SLIP includes, but is not limited to:

- Statewide assessment results;
- Interim assessment results;
- Similarly situated school’s SLIPs; and
- Evaluation(s), including staff, student, and community feedback, of the existing SLIP.

The SLIP is to be reviewed on an ongoing basis with reports to the board on the implementation progress of the SLIP throughout the year of implementation. By May 1 of each year, the SLIP to be implemented in the upcoming school year shall be presented to the District Board of Directors for review and approval. The District will post the District’s SLIP(s) to the District’s website under State-Required Information by August 1 of each year.

The district shall develop, with appropriate staff; school board members; and community input, a school district support plan (SDSP). The SDSP, in coordination with the District’s SLIPs, shall

- Specify the support the District will provide to the District’s schools;
- Collaboratively establish priorities regarding goals or anticipated outcomes with the District’s schools, including feeder schools;
- Identify resources to support the established priorities;
- Describe the time and pace of providing support and monitoring for the established priorities;
- Describe the measures for analyzing and evaluating that the District support was effective in improving the school performance; and
- Establish, evaluate, and update a parent, family, and community engagement plan.

If the District’s data reflects a disproportionality in equitable access to qualified and effective teachers and administrators, the District shall develop and implement strategies to provide equitable access as part of the SDSP.
The District shall post the District’s SDSP to the District’s website under State-Required Information, including any updates to the District’s SDSP.

The District’s Board of Directors shall hold a meeting by October 15 of each year to provide a report that systematically explains the District’s policies, programs, and goals to the community. The District’s report shall detail the progress of the District and the District’s schools toward accomplishing program goals, accreditation standards, and proposals to correct any deficiencies. The report shall be made available to the public, including by posting a copy on the District’s website under State-Required Information no later than ten (10) days following the meeting. The meeting shall provide parents and other members of the community the opportunity to ask questions and make suggestions concerning the District’s program.

5.3—CURRICULUM DEVELOPMENT

Sequential curricula should be developed for each subject area. Curricula are to be aligned with the curriculum frameworks and used to plan instruction leading to student proficiency on the Arkansas content Academic Standards. Curricula should be in alignment with the District’s vision, mission, goals, and educational philosophy. Student achievement is increased through an integrated curriculum that promotes continuity and a growth in skills and knowledge from grade to grade and from school to school. Therefore, the Board desires that unnecessary duplication of work among the various grades and schools be eliminated and that courses of study and their corresponding content guides be coordinated effectively.

The Board of Education is responsible for reviewing and approving all instructional programs offered by the District as well as approving significant changes to courses or course materials before they are implemented. The Superintendent is responsible for making curriculum recommendations.

Each school shall review each curriculum area annually to address the continued relevancy, adequacy, and cost effectiveness of individual courses and instructional programs and to ensure each area is aligned with the current curriculum frameworks and course content standards approved by the State Board of Education. Each school’s administration shall implement a monitoring process to ensure that the instructional content of each course offered is consistent with the content standards and curriculum frameworks approved by the State Board of Education.
