**** Here are 6 ways to build a better reader during the middle school year****

1. Create reading habits and read every day.
2. Talk about pictures and ask questions while reading.
3. Snuggle up close with a book before bed.
4. Share different kinds of books (stories, nonfiction, poetry)
5. Read favorite books again and again.
6. Read with expression...it's more fun!

GOOD READERS are made on the laps of parents. Tips

Practicing math facts will help keep your students to maintain important math skills that can be critical during testing months, March and April.

Expect a lot from your child. He or she need to know that you believe he or she can succeed and excel.

Tell them every day, “be the best student you can!” And they will!

Stay positive but be firm!

Middle School is about consistency between home and school. Be a team with your child's school.

Your child will follow your lead, even if you didn't have the best school experience.

Create a good study space

Find a good spot in your home that helps your child stay focus. It should be quiet and free from distraction.
