1. Jointly Developed Plan
Parents will be involved in the development, review, and improvement of the school parent and family engagement plan as follows:

● Parents will be asked to complete the district parent/guardian engagement survey. The survey is available in multiple languages upon request.
Announcements will be made via autodialer and social media for parents to attend a PTSA meeting where the plan will be discussed. Autodialer calls go out in order to ensure that families are informed about the meeting. The school has a Facebook page to reach out to this underrepresented demographic. At that meeting, parents can work alongside school personnel in jointly developing the plan.

2. Annual Title 1 Meeting

The Annual Title I meeting will be held in August of 2020 to inform parents of the requirements of Title I, the school’s participation, and parents’ rights under Title I.

- Parents and families will have the opportunity to receive copies of the school’s Parent and Family Engagement Policy.
- Parents and families will be informed of future opportunities to participate in the development of the school’s Parent and Family Engagement Plan.

3. Communication

Mabelvale Middle School will post the Parent and Family Engagement Plan on its webpage as well as the district’s webpage. Parents may obtain a paper copy of the plan upon request.

- The school’s Open House/ Title 1 Report to Public will be held in September 2020 as a stand-alone meeting and will provide information and informational packets related to school and parent programs, meetings, and other activities to parents. Information can be translated or interpreted, to the extent practicable, and in a language that parents can understand.
- Parent Teacher Conferences will be held in October 2020 and February 2021. At these conferences, staff can share information about the curriculum, assessments, homework, strategies for helping their children at home, and future parent nights. Interpreters will be available, and auxiliary aids will be made available upon request.
- The Parent Teacher Student Association will meet monthly.
- The communication of information related to school and parent programs, meetings, and other activities is available in multiple languages.

4. School-Parent Compact
Annually, a parent panel (in conjunction with PTSA) will review School-Parent Compact. The current School Parent Compact is below.

**Parent/Student/Teacher/Principal Compact**

**Student Agreement**

It is important that I work to the best of my ability. Therefore, I shall strive to do the following:

____ Attend school regularly.____ Come to school each day with pens, pencils, paper and other necessary tools for learning.____ Complete and return homework assignments.____ Observe regular study hours.____ Conform to rules of student conduct.

**Teacher Agreement**

It is important that students achieve. Therefore, I shall strive to do the following:

**5. Reservation of Funds**

The Little Rock School District’s 2020-21 preliminary Title I, Part A allocation was greater than $500,000.00 which means that the district is required to reserve or “set aside” funds to support parent and family engagement activities in each Title I school. Our school’s share of the required 1% reservation was **$2,825.40**. Our parents will have a voice regarding the use of these funds.
6. Coordination of Services

Our Partners in Education provide money and give their time to provide additional classroom resources/supplies. In addition to our external partnerships, we coordinate our various funds to support the needs of our students, staff and families.

- The Parent Resource Center has educational materials that promote and guide responsible parenting.
- Career and college fairs help students develop short and long-term goals.
- Students have access to school-based nursing care.
- A social worker is housed on-campus to support needs both at school and in the home.

The family model is research based and references engagement, activities, and resources for the six types of involvement: Parenting, Communicating, Volunteering, Student Learning, Decision Making, and Collaborating with the community. To support the six types of involvement, Mabelvale Middle School is an active participant in the LRSD Southwest Cluster Team.

Parent and Family Engagement Plan

Purpose
To increase student achievement through improved communication among all stakeholders.

Communication
In order to establish an effective parental/community involvement plan it is essential that communication between parents, schools, educators, and community members be frequent, clear and two-way. When we work as a team we help to strengthen schools, families, communities, and learning. Mabelvale Middle School will strive to strengthen communication through various methods as listed:

- Maintain school website: mabelvale.org
- Eschool
- Mabelvale Middle School Partners in Education
- New Student Orientation
- Parent Open House,
- Quarterly and Interim Progress Reports
- Email
- Phone Calls
- Team Communication
- LRSD Website
- Remind APP

The school will continue to communicate with parents through notices sent home, newsletters and media, and through parent/teacher conferences. In addition to Family Nights, the school will host Literacy and Math Nights. Parents may also contact the school using the following district phone number, 501-447-3000

We need to keep a record of this information because all volunteers will be recognized at the end of the school year. A volunteer’s time and efforts are important to our students and appreciated by all stakeholders involved in the learning process of our children, therefore, we want to recognize those who take time out of their busy lives to make a difference in the lives of our future leaders.

School Decision Making
In order to include families’/community members as advisors in school decisions, Mabelvale Middle School encourages parents’/community leaders to participate in the following forums, with the understanding that the principal is accountable for the operation of the school and has the final responsibility for all decisions made at the site.

The National Network of Partnership Schools (NNPS)
NNPS invites schools to use research-based approaches to organize and sustain excellent programs of family and community involvement that will increase student success in school. Mabelvale Middle School collaborates and support the LRSD Southwest Schools Cluster Team. Partnership Programs focus on the six "keys to involvement" identified by educational researchers as the critical components of home/school/community connections.

Six Types of Involvement: Keys to Successful Partnerships

1. **Parenting**: Assist families with parenting skills and setting home conditions to support children as students. Also, assist schools to better understand families.

2. **Communicating**: Conduct effective communications from school-to-home and from home-to-school about school programs and student progress.

3. **Volunteering**: Organize volunteers and audiences to support the school and students. Provide volunteer opportunities in various locations and at various times.
4. **Learning at Home**: Involve families with their children on homework and other curriculum-related activities and decisions.

5. **Decision Making**: Include families as participants in school decisions, and develop parent leaders and representatives.

6. **Collaborating with the Community**: Coordinate resources and services from the community for families, students, and the school, and provide services to the community.

Organization: Advice for Parents

Developing good organizational skills is a key ingredient for success in school and in life. Although some people by nature are more organized than others, anyone can put routines and systems in place to help a child "get it together." Here's a list of strategies that you can use to help your child get -- and keep -- his life under control.

1. Use checklists.
2. Organize homework assignments.
3. Designate a study space.
4. Set a designated study time.
5. Keep organized notebooks.
6. Conduct a weekly clean-up.
7. Create a household schedule.
8. Keep a master calendar.
9. Prepare for the day ahead.
10. Provide needed support while your child is learning to become more organized.
