---

---

The month of December brings us to the end of a calendar year and the beginning of The Public Victory on page 7H-9 in our Agenda book. The character focus is on building strong friendships, Relationship Bank Accounts (RBAs). Treating others the way we want to be treated form strong friendships when you keep promises.

Good news, coming soon to a school cafeteria near you is a real Christmas miracle, the cafeteria floor will be completed in time for the 3rd Grade Jubilee, Thursday at 6:30 pm. All are welcome and invited.

I wish for everyone peace and goodwill. I am grateful for each family represented at our beloved school.

Happy Holidays,

Theresa Courtney-Ketcher, Principal
