Romine will

- Engage parents in the annual evaluation of the Title 1, Part A Program’s parental involvement efforts through an annual perceptual survey using a comprehensive needs assessment completed by parents, teachers and students at the end of the year (Tyrone Harris, 447-6300). A team of teachers, parents and Title 1 staff will review the perceptual data and make changes and revisions for school improvement if necessary. The school will collect data and specific information for recording the number of annual VIPS hours for the school (Teresa Knapp-Gordon, 447-6306). In addition, data will be collected to record parent attendance for all scheduled parent conferences and attendance for Family Literacy/Math Night. Data will be collected to compare the current year Daily Attendance Rate with the previous year’s Daily Attendance Rate (Tyrone Harris and the Romine Leadership Team, 447-6302). Parents will be given the parent interest survey at the Parent Teacher conferences in October. The results of the surveys will be reviewed by a school team made up of teachers, parents and Title 1 school staff, and plans will be made by the team to identify and use suggestions feasible to plan and implement (Tyrone Harris, 447-6300).

- Collect evidence about satisfaction with the program and the school’s efforts to increase parental involvement will be a part of the evaluation, the survey will also collect specific information on the (1) growth in number of parents participating in workshops and meetings; (2) specific needs of parents; (3) effectiveness of specific strategies; and (4) engagement of parents in activities to support student academic growth.

- Involve parents on school improvement planning committees. To support this process, the school will offer both school staff and parents training on how to contribute to this process in a meaningful way.

- Ask parents to serve on curricular and instructional review committees. To support this process, the school will offer both school staff and parents training on how to contribute to this process in a meaningful way.

- Engage parents in decision making about the allocation of its Title I, Part A funds for parental involvement. The parent/student handbook will be accessible online to all parents and guardians of enrolled students which will include information about the school’s process for resolving parental concerns and issues of violations that apply to Title 1 (Title 1 Complaint Procedures, Part A). The District parent and family engagement plan may be reviewed and signed during parent teacher conference or other parent activities. In addition, upon the request and need, pertinent information will be provided to parents in an understandable language format. (Tyrone Harris, 447-6300).

ANNUAL TITLE I MEETING

Romine conducted an Annual Title I meeting on September 17, 2020 for all parents. This meeting will be held separately for the purpose of providing information, explanation and description of the school curriculum, and academic assessments used to measure student progress and information on proficiency levels students are expected to meet. Parental feedback will be generated through the use and distribution of a parent involvement survey given in the Fall 2020. The school will engage parents in decision-making about the allocation of its Title I, Part A funds for parental involvement. The agenda, sign-in sheet and minutes will be collected and copies will be uploaded in our Title I Crate, and a copy kept in the school’s file. The school shall submit evidence of the Title I meeting by completing the LRSD Annual Title I Verification Form and submitting to the Title I Office (November 2020).
COMMUNICATIONS

Romine will communicate with parents to increase parent and family engagement and to support classroom instruction in the following ways: by distributing a monthly calendar of school activities (Tiffani Scott, 447-6300), monthly school wide events calendar and monthly lunch menu; ParentLink messages by phone and email (Debra Sloan, 447-6321), posting grades weekly on eSchool for the intermediate level (classroom teachers), providing information of events and activities on the district and school webpages (Debra Sloan, 447-6321) and posting events on the school Twitter, Instagram, and Facebook pages, as well as Class Dojo and Schoology (Teresa Knapp-Gordon, 447-6306). Teachers will create newsletters and have daily communication folders for students to show parents.

The school will have a Family Literacy and Math Night for the all grades in the Fall of 2020, and the Spring of 2021 to instruct parents on how to incorporate developmentally appropriate learning activities in the home environment. Primary and intermediate teachers will be responsible for Family Nights. Contact your child's teacher if you have any questions.

Each year the school will distribute informational packets to parents that will include a copy of the school's Parent and Family Engagement Plan, volunteer interest's survey, current school and district calendar of events and the staff contact information (Fall, 2020 and office staff 447-6303).

SCHOOL-PARENT COMPACT

The school developed a school-parent-student compact. This compact will describe and outline how the staff, parents and students will share responsibilities for improving student academic achievement and identify strategies for supporting their child’s learning (Tyrone Harris, 447-6300 and designated staff). All stakeholders will sign the compact and a copy will be filed in each student’s permanent record. The compact will be distributed to all staff, parents and students during parent teacher conferences on October 8-9 2020 and sent home to the parents who were unable to attend conferences.
RESERVATION OF FUNDS

LRSD receives over $500,000 in Title I Part A allocation, therefore, Romine receives an allocation for parents from the district’s Title I reservation/set-aside. Romine Elementary will share with the parents during the Annual Title I Meeting that the district has allocated funds that will be used for family engagement activities and programs. As soon as Romine receives our annual parent and family engagement allocation, we will provide an update to the parents and begin using these funds to support parent & family engagement. Romine will ensure that there is ample time to provide a description/explanation of Title I reservation of funds and what the funds will be utilized for, school curriculum, information on forms of academic assessments used to measure student progress. Parent will receive a survey to provide input on how the funds should be used to increase parental and family engagement.

COORDINATION OF SERVICES

Parents will be informed through the ParentLink messages, Facebook, Instagram, Twitter, Class Dojo, emails, Schoology and website updates about opportunities to volunteer in the schools (Debra Sloan, 447-6321 and Teresa Knapp-Gordon, 447-6306). Pre-School Meet a and Greet will provide parents and community connections with the need for and training of volunteers. Parents will also receive information through Romine’s PTA meetings, which will be held at least once each quarter.

Romine will hold its Title 1 annual meeting on September 17, 2020 to inform parents of their right to be involved in planning and reviewing of our improvement goals and to describe to parents the curriculum used in the school’s academic program. In addition, the various assessments and academic expected proficiency levels were discussed. Parental feedback will be generated through the use and distribution of a parent involvement survey given in the Fall 2020. The school will engage parents in decision-making about the allocation of its Title I, Part A funds for parental involvement. General body PTA meetings, PTA executive board meetings, and Romine Leadership meetings will be scheduled intermittently for this decision-making process. Romine will coordinate and integrate parent and family engagement strategies through programs and best practices such as Arkansas Better Chance and HIPPY. We will also take advantage of volunteer and community resources by forming school partnerships with local businesses and school volunteers to support the process of school improvement efforts in meaningful ways.

BUILDING CAPACITY OF PARENTS

Parents will be provided with their eSchool and Schoology passwords and may use a school computer to check grades, use Schoology and check educational websites when necessary (Debra Sloan, 447-6321). A parent resource kiosk is located in the front foyer. Additional resources are available inside the Romine Parent Center located in room #16. Parents will be encouraged to take free materials from the Parent Center. Parents may use the parent center to access resources such as parent magazines, books and other informative materials regarding responsible parenting skills, upcoming school and district sponsored parent involvement activities, health related materials and information on community agencies. In addition to these materials, parents may schedule the parent center for conferences and meetings (call the Parent Facilitator, Debra Sloan (447-6321), Dequonce Marbury (447-6314) to schedule use of the room) as well as have access to the computers. As Title I funds are available, the school will purchase parenting books and other related resources in English and Spanish translated versions to assist parents in supporting their child’s learning at home.

The school will have a Family Literacy and Math Night for the all grades in the Fall of 2020 and Spring of 2021 to instruct parents on how to incorporate developmentally appropriate learning activities in the home.
environment. The school will provide training for parents on how to use Schoology to facilitate with virtual instruction. Primary and Intermediate teachers will be responsible for Family Nights. Contact your child’s teacher if you have any questions.

Romine will plan the following meetings to increase parent and family engagement, and to build staff and parent capacity: Open House on August 12, 2020 where we will communicate district and school goals, give an overview of ACT 397, Comprehensive Literacy Program, Schoology, Mathematics curriculum, Mental Health and Counseling services, and Self-Contained Programs. Romine will provide a parent training on Schoology on August 20, 2020. Romine’s teachers will schedule and conduct four Parent/Teacher conferences days on October 8 and 9, 2020 and February 11 and 12, 2021. Teachers will collaborate and discuss with parents their child’s progress in class including IEP’s and 504 plans. We will encourage parents including, but not limited to, the following ways: volunteer in their child(ren)’s classroom as reading buddies, teacher assistance, field trip chaperones, lunch time, etc. Parents may also volunteer in various ways during the Scholastic Book Fair, Grandparent’s Day, hall monitors, Honors Award Assemblies, Red Ribbon activities, Pre-K Ceremony, and help at the Pre-K and fifth grade transition ceremonies in May. Parents are encouraged to volunteer at least three (3) hours per month at the Fall Fest (Yvonne Roach, 447-6347), and/or Community Helpers Day, Spring 2021.

**BUILDING CAPACITY OF SCHOOL STAFF**

The school staff will participate in at least two hours of professional development in effective parent involvement strategies. Parents and community members will be provided with opportunities to support the instructional programs at Romine through programs such as Volunteers in Public Schools (VIPS), (Teresa Knapp-Gordon, 447-6306) Guest Readers (Teresa Knapp-Gordon, 447-6306) and Career Day, Andrea Brooks, 447-6304. Brief training sessions will provide parents and community members with information and school policies on discipline and organizational procedures they need to follow in order to put them at ease and make their volunteer experience pleasant and successful (Tyrone Harris, 447-6300).

Romine will plan the following meetings to increase parent and family engagement, and to build staff and parent capacity: Open House on August 12, 2020 where we will communicate district and school goals, give an overview of ACT 397, Comprehensive Literacy Program, Mathematics curriculum, Mental Health and Counseling services, and Self-Contained Programs. Romine will schedule a training for parents on the new learning management system, Schoology on August 27, 2020. Romine’s teachers will schedule and conduct four Parent/Teacher conferences days on October 8-9, 2020 and February 11-12, 2021. Teachers will collaborate and discuss with parents their child’s progress in class including IEP’s and 504 plans. We will encourage parents including, but not limited to, the following ways: volunteer in their child(ren)’s classroom as reading buddies, teacher assistance, field trip chaperones, lunch time, etc. Parents may also volunteer in various ways during the Scholastic Book Fair, Grandparent’s Day, hall monitors, Honors Award Assemblies, Red Ribbon activities, Pre-K Ceremony, and help at the Pre-K and fifth grade transition ceremonies in May. Parents are encouraged to volunteer at least three (3) hours per month at the Fall Fest (Yvonne Roach, 447-6347), and/or Community Helpers, Spring, 2021.

The school’s principal has identified school parent facilitators for the purpose of communicating regularly with parents regarding school program activities for home-school connection. Due to increased social media access, our school website, Twitter, and Facebook pages will be updated regularly. Our technology specialist will design and implement a school ParentLink telephone message system that will call every parent who provides the school with a working telephone number weekly to announce all school related activities and events (Debra Sloan, 447-6321).
Building Capacity – Discretionary

Romine Elementary School is a member of Johns Hopkins University of National Network of Partnership Schools (NNPS). The NNPS School, Family, and Community Partnership model is designed to enhance parent participation and involvement in the school and community. The model is research based and references six types of involvement: parenting, communicating, volunteering, student learning, decision-making, and collaborating with the community. To support the six types of involvement, Romine participates on the LRSD NNPS West Schools Cluster Team. For more information, Contact the Parent Facilitators: Debra Sloan, Dequoince Marbury.

Parents will be informed through the ParentLink messages, Facebook, Instagram, Twitter, Schoology, ClassDojo, emails and website updates about opportunities to volunteer in the schools (Debra Sloan, 447-6321 and Teresa Knapp-Gordon, 447-6306). Pre-School Meet and Greet will provide parents and community connections with the need for and training of volunteers. Parents will also receive information through Romine’s PTA meetings, which will be held at least once each quarter.

Reading with your child

20 minutes a day is all it takes to build key reading

Here are 6 ways to build a better reader during the elementary school years

1. Create reading habits and read every day
2. Talk about pictures and ask questions while reading
3. Snuggle up close with a book before bed
4. Share different kinds of books (stories, nonfiction, poetry)
5. Read favorite books again and again!
6. Read with expression...it’s more fun!

Good readers are made on the laps of parents!
