**School and Community Resource
Directory**

August, 2015

The Little Rock School District presents to you this School, Community, and Social Service Resource Directory. In this directory you will find organizations and service providers for Little Rock School District, Pulaski County, and more. This information has been compiled to provide principals, assistant principals, counselors, social workers, nurses, teachers and other school personnel with a pool of readily accessible information referencing resources available in the district and the greater Little Rock area, as well as other parts of the state, that serve our children, youth and their families.

This document is not intended to be a complete listing of every community resource, but will provide a list of well-established services and resources available within the greater Little Rock area, and our school district.

Please see agencies listed below that provide mental health services for schools in the Little Rock School District, for more information please contact Lisa Williams @ 501-447-3439 or lisa.williams@lrsd.org

BRIDGES OUTPATIENT 501-771-1500

Outpatient treatment may be an option when a person has psychiatric problems such as depression, anxiety, chemical dependency or other issues. While outpatient treatment may be less disruptive to a daily life, our seasoned mental health professionals provide high quality care.

Overseen by an expert psychiatrist and serving children, adolescents and adults, the outpatient program known as Bridges provides a multi-discipline approach and may include:

- A small, safe and structured treatment environment
- Psychiatric Evaluation
- Medication Management and Evaluation
- Family Therapy
- Substance/Dependence/Abuse Treatment

CENTERS FOR YOUTH AND FAMILIES 501-666-8686

Offers Mental Health Evaluation/Diagnosis, individual Psychotherapy and family Psychotherapy. Centers' providers will participate in staffing and meetings regarding their clients whenever invited or requested as often as scheduling permits. These meetings include but are not limited to parent-teacher conferences, referral conferences, IEP meetings, annual reviews, and discipline conferences or hearings when appropriate. Participation will occur with parent or guardian's permission as evidenced by the signed release of information. In addition, communication including Centers providers must be relevant to the client's behavior, mental health diagnosis and/or treatment, or utilized in the development of plans, strategies, and techniques for working effectively to improve functioning and ameliorate symptoms.

DAYSRING 501-565-8501

Dayspring services include individual psychotherapy, family psychotherapy, and group psychotherapy for children, adolescents and/or adult clients, medication management, school-based services and nursing home services. These services address numerous client needs such as psychiatric illness, emotional and behavioral problems, family and interpersonal relationships, life span issues, situational stressors and trauma resolution. The specialty programs such as the school-based services provided during or after school focus on the behavioral and mental health needs of school-aged clients, while working closely with the client's family and school personnel.

FAMILIES, INC. 501-982-5000

Families, Inc. offers a variety of therapeutic services for all ages on an individual, couple, family and group basis. Through counseling, individuals receive emotional support from a licensed professional, who helps the client work to resolve conflicts with others, understand feelings such as anxiety and depression, and try out new solutions to old problems. The length of treatment, of course, depends on the complexity and severity of problems.

LIFE STRATEGIES COUNSELING, INC. 501-663-2199

LSCI offers a range of services and options will be discussed following an assessment of the need for mental health services. Services include: Individual mental health counseling, Group therapy, Family therapy, psychiatric evaluation and medication management, Psychological testing, Substance abuse counseling and groups, Support groups, School linked therapy services, mental health paraprofessional intervention, Crisis intervention/Stabilization and Referrals to supportive services and community resources.

LIVING HOPE 501-663-5473

Living Hope offers intensive behavioral health treatment for seriously emotionally disturbed children and adolescents in public school settings across Central Arkansas. Through collaboration and coordination with local school districts, students have access to an array of professional and para-professional services without leaving their school campus. School administrators work with Living Hope Southeast to provide a safe and confidential setting for clients to receive intensive services from our psychiatrists, therapists, and case managers. Through this school partnership, Living Hope is able to ensure the safety and success of its clients with minimal disruption to their normal educational activities.

METHODIST FAMILY HEALTH 501-661-0720

Methodist Family Health offers outpatient treatment services in communities all across the state. Venues of care include community counseling clinics, school-based counseling services, day treatment programs and specialized services such as Kaleidoscope Grief Center.

NEW BEGINNINGS BEHAVIORAL HEALTH SERVICES 501-663-1837

New Beginnings uses treatment plan goals and objectives to determine discharging of consumers. Consumers have an ongoing participation of their treatment plan goals and objectives. Family participation is strongly encouraged and it is New Beginnings belief that services should be holistic in approach. The organization helps facilitate family participation by helping with transportation and in scheduling decisions.

P.A.T CENTER 870-534-4900

The P.A.T. (people advocating transition) Center offers an array of outpatient services which include: In Home Counseling, Community Rehabilitation, Individual Outpatient Therapy, Anger Management, Family Therapy, Group Therapy, School Based Services, Substance Abuse Group, Sexual Abuse Group and more. Referrals are accepted from parents, DHS, schools, courts, and other child care agencies.

PATHFINDER, INC. 501-982-0528

Pathfinder, Inc. is a School-Based Behavioral Health Services that believes in a cooperative effort with the public schools to improve service to children/youth with serious emotional and/or behavioral disorders. The target population focuses on adolescents at risk of possible hospitalization, or removal from the traditional classroom setting, and possible long term residential treatment.

THE POINTE 501-603-2147

Pinnacle Pointe Behavioral HealthCare has provided mental health services to families in Arkansas and surrounding states since 1991. They specialize in programs for children ages 5-17 with individualized treatment for each child. Their mission is to provide a safe, secure and nurturing environment and believe that early intervention is key to a child's success. Some of their services include inpatient services - acute and residential, outpatient services, community-based services, day treatment school, and professional and community education.

PROFESSIONAL COUNSELING ASSOCIATES 501-221-1843
Child and Adolescent Service System Program

PCA is the "lead agency" for CASSP (Child and Adolescent Service System Program) in Lonoke, Prairie, and North Pulaski Counties. For children with severe emotional disturbances, or children with emotional problems whose needs require services from several different agencies or State departments, PCA arranges a multi-agency staffing to coordinate services. The following services are available to children, adolescents and their families:

- School-Based Services public schools and Head Start classrooms.
- Children's Case Management is available at all our clinics. Parents Brochure
- Wrap Around services to meet needs that insurance does not cover, including rewards for improved behavior.

- In Lonoke County our PROMOTE program serves youth who are at-risk or involved with the Division of Youth Services. [PROMOTE Brochure](#)

UAMS/PRI STRIVE 501-771-8261

Counseling services are conducted by trained clinicians (most are Master's level) and supervised by licensed clinicians (LMHC). Services are available in-home individual and family therapy, in-school assessment, individual and /or group therapy and consultation. Individual therapy is available as needed to enhance treatment of the client. Services also include behavioral system reconstruction.

UNITED FAMILY SERVICES 501-244-0062

This service provides individual, group, and family therapy to juveniles and their families referred by the court system, as well as aftercare clients, as designated. All services are delivered by qualified, licensed mental health professionals. The purpose of the program is to provide individuals and families an outlet for addressing issues that affect their level of functioning in the community. Consultation with the referral source is also provided, as needed.

THERAPEUTIC FAMILY SERVICES 501-332-4402

Participants are assessed by clinically trained staff to ascertain a mental health diagnosis. THS mental health clinicians partner with participants to develop a treatment plan that addresses the participant's individual needs. THS mental health clinicians determine if the participant needs a referral to other services THS has to offer, such as individual, group and family Counseling. THS mental health clinicians address the appropriate modality of counseling the participant needs. Services like counseling and case management are provided through outreach to and engagement with the participant's school.

YOUTH HOME 501-821-5500

Youth Home provide mental health services to Little Rock School District eligible students during regular school hours Monday through Friday. This includes any direct school-based mental health service provided in a school setting. Individual therapy, family therapy, case management, group therapy, crisis intervention, collateral contacts, clinical consultation, medication management, case coordination, interagency staffing and teacher/school staff education.

OTHER MENTAL HEALTH RESOURCES

RIVENDELL 1-800-264-5640

Rivendell is a behavioral health organization that provides a full continuum of mental health services for adults, adolescents and children, including inpatient hospitalization, long-term inpatient treatment, partial hospitalization, and outpatient services provided in a traditional office setting, school or home. Rivendell also provides educational day treatment for students experiencing difficulty in public schools, but in close coordination with the home school.

SAFE PLACES 501-374-7233

Safe Places is a non-profit organization working to help children and families throughout Arkansas. Ninety-nine percent of services are free of charge to victims of sexual assault, family violence, child abuse, human trafficking and other forms of violence. Services include individual and group support, advocacy, counseling, education/training, referral services and specialized therapies.

UAMS MEDICAL CRISIS AND LOSS CLINIC 501-526-8100

The experience of a life-threatening illness or death of a family member can be emotionally disruptive to a child's development, as well as to the child's entire family. Frequently, children experiencing problems in adjusting to loss or serious illness may demonstrate difficulties including increased sadness and anxiety, withdrawal from friends, decreased school achievement or medical nonadherence. The Medical Crisis and Loss Clinic was developed to assist children and families in coping with loss and change. It is a short-term intervention focused on improving long-term adjustment.

The clinic is intended for parents, whose child has died, or children and adolescents who:

- Have experienced the death of a family member or close friend from an illness,
- Have experienced a loss of function from physical trauma, or
- Have difficulty coping with the diagnosis of a chronic or life-threatening illness.
