Check Us Out at the Magnet School Fair!

Find Out What's New and Exciting in the LRSD!

LRSD offers a variety of educational opportunities to meet your child’s needs. Each Magnet school emphasizes a specialized theme: Arts, Math and Science; International Studies and Foreign Languages; Gifted & Talented; and Traditional Studies. If you are looking for classrooms that are interesting, innovative and rigorous, be sure to attend our “Magnet School Fair” event for details on what each location has to offer.

Participating Schools: Booker Arts Magnet Elementary School, Carver Math-Science Magnet Elementary School, Horace Mann Arts & Science Magnet Middle School, Parkview Arts/Science Magnet High School, Central International Studies High School, Dunbar Gifted & Talented/International Studies Magnet Middle School, Gibbs Magnet School of International Studies and Foreign Languages, Williams Traditional Studies Magnet School Elementary, Hall High School, and Forest Heights STEM Academy.
