The Little Rock School District operates:

• 5 high schools
• 8 magnet schools
• 7 middle schools
• 1 aerospace technology middle school
• 1 K-8 STEM academy
• 26 elementary schools (15 with pre-Kindergarten)
• 1 literacy & language academy
• 4 early childhood centers for pre-Kindergarten
  (1 center for ages 6 weeks-4 years)
• 1 alternative learning academy
  (for middle & high school students)
• 1 accelerated learning center
• 1 career-technical center
• 1 adult education center

Early Childhood Education
The foundation of a child's education is vitally important. The LRSD offers a free pre-school education of exceptional quality so your child will have a great start to his/her education. Pre-Kindergarten classes are located throughout the district in both elementary schools and early childhood centers.

Chicot ECC and Geyer Springs ECC offer three- and four-year-old classes. Fair Park ECC offers four-year-old classes only. Geyer Springs Early Childhood Center is the District's newest early childhood center.

Rockefeller offers a program for children six weeks to four years; there is a monthly charge for children six weeks to two years (vouchers are accepted). There is NO fee for three or four-year-old children.

LRSD is the state’s largest provider of public early childhood services. Every classroom has a certified lead teacher and highly-qualified aide. Recent national skills test results show that at the end of 1st grade, LRSD Pre-K students from every economic level, outperform students who have not attended a LRSD pre-kindergarten program in every skill category (Reading, Language and Math).

Call Early Childhood at 447-7360 for more information.

810 W. Markham • Little Rock, AR 72201 • 501-447-1000

(Little Rock School District)
Open Enrollment
Take advantage of unique and innovative educational opportunities by enrolling in one of LRSD’s schools during Open Enrollment, December 3 - December 14, 2018. You can enroll your child in pre-Kindergarten or Kindergarten, sign up for a magnet school, transfer to a new school or transfer from another district into the LRSD during this period.

How to Register
To register a student, you can use the online student registration gateway at https://registration.lrsd.org or visit the student registration offices at the addresses below:

K-12 Students: LRSD Student Registration Office
501 Sherman St. (at Capitol Ave.) • Little Rock, AR 72202 • 447-2950
Pre-K Students: Geyer Springs Early Childhood Center
5240 Mabelvale Pike • Little Rock, AR 72209 • 447-4800

You will need:
• Your child’s official birth certificate, passport, military ID card or other documentation provided by law (ACA 6-18-208)
• Your child’s Social Security card/number
• Two forms of proof of residence - acceptable forms of proof: current lease agreement, utility bills less than 30 days old (cell phone bills will NOT be accepted) or offer and acceptance contract from a real estate purchase. All forms of proof must be in the parent’s or legal guardian’s name.
• A notarized Double-Up Form is required if no utility bills are in the parent/guardian’s name or if the parent is living with another party.
• Child’s immunization record
• Transcript or recent report card from previous school (provide to assigned school at Check-in)

Check Us Out Tours
• October 8-10, 2018 • All Schools (9am-1:30pm)

Recruitment Open House
• Thurs., Nov. 1, 2018, 6pm • Cloverdale Middle School, Forest Heights STEM Academy (grades 6-8), Mabelvale Middle School, Pinnacle View Middle School
• Mon., Nov. 5, 2018, 6pm • Dunbar, Henderson, Horace Mann, and Pulaski Heights middle schools
• Wed., November 7, 2018 • Hall 5-6pm, McClellan 7pm
• Thurs., November 8, 2018 • Central, J.A. Fair 7pm
• Tues., November 13, 2018 • Parkview 6pm

Academies
LRSD operates two specialized academies which offer unique learning opportunities.

Baseline Academy offers a uniquely focused literacy and language program, which supports the development of a strong base of foundational literacy and reading skills for English Language Learners (ELL) and all students. The school features an extended school day (7:50am-4:05pm) and many bilingual staff members.

Baseline Academy ofrecerá un enfoque único centrado alfabetización/literatura y programas de lengua/idioma, el cual apoyará el desarrollo de una base sólida de lectura, escritura y habilidades fundamentales de lectura para Aprendices del Idioma Ingles (ELL) para todos los estudiantes. La escuela contará con un horario escolar extendido (7:50 am a 4.05) y con muchos personal bilingües.

Forest Heights STEM Academy is currently the only K-8th grade STEM school in Arkansas. The school utilizes the hands-on science, technology, engineering and math curricula developed by Project Lead the Way (PLTW). PLTW programs give students project-based experiences that help to link math and science concepts to real-world problem solving. All Forest Heights STEM Academy students benefit from 1:1 technology opportunities.

Newest Middle School
LRSD’s newest campus, Pinnacle View Middle School will now serve grades 6-8, with 8th grade starting in 2018. In addition to liberal arts education, Pinnacle View is adding STEM Programs — which include Robotics and Engineering. Students residing in attendance zones for Fulbright, Roberts and Terry elementary schools are zoned for Pinnacle View. The school is located off Cantrell Road/Highway 10 at 5701 Ranch Drive.

Magnet Programs
From music/drama to international studies and science, LRSD has a magnet program to engage your child! Magnet programs allow students to concentrate their studies in specialized areas. You may register for a magnet program during the open enrollment period (Dec. 3-14, 2018). Assignments are made via a computerized scramble based on the number of seats available at each school.

Beginning this fall, all students wishing to apply for a magnet seat at Parkview Arts/Science Magnet High School will be required to audition in ALL areas, to include Dance, Drama, Visual Arts, and Vocal Music. Following the auditions 50% of the available seats will be filled based on the scoring rubric in each area. The remaining 50% of seats will be filled with the traditional lottery system.

All Science, Band, and Orchestra seats will be filled through auditions in order to gain admission.

Qualifying Forest Heights STEM applicants will receive a weighted priority if applying for Parkview Science. (See lrsd.org for specific application information)

The following schools offer magnet programs:
• Booker E.S. (performing/visual arts)
• Carver E.S. (basic skills, math, science)
• Gibbs E.S. (foreign languages/international studies)
• Williams E.S. (traditional magnet)
• Dunbar M.S. (gifted & talented, international studies)
• Mann M.S. (performing/visual arts, science)
• Central H.S. (international studies)
• Parkview H.S. (performing/visual arts, science)

These programs are offered across a continuum of feeder schools to enable students to participate in the magnet program from the time they enter elementary school through high school graduation. When magnet school students advance to the next school level they receive priority over students who are not part of the continuum.

Magnet School Continuum #1
• Gibbs Magnet Elementary School of International Studies & Foreign Languages
• Williams Traditional Studies Magnet Elementary School
• Dunbar Gifted & Talented/International Studies Magnet Middle School
• Central High School International Studies Magnet Program

Magnet School Continuum #2
• Booker Arts Magnet Elementary School
• Carver Math-Science Magnet Elementary School
• Horace Mann Arts & Science Magnet Middle School
• Parkview Arts & Science Magnet High School
