1: Jointly Developed

(Describe/List how parents will be involved in the development of the school parent and family engagement plan and how parents will be involved in the planning, review, and improvement of parent and family engagement programs.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?
School Mission: The mission of Bale Elementary School is to establish an innovative learning community in which all stakeholders are safe, nurtured, engaged, and highly valued, this will be accomplished by incorporating science, technology, engineering, arts, and mathematics into our daily curriculum. We will empower our students to be intrinsically motivated learners and highly productive members of society.

Bale Elementary staff will work with parents to ensure they are involved in the development of the school and family engagement plan. Upon request and to the extent practicable, Bale Elementary will provide communication in the language that parents can understand. During parent teacher conferences, parents may have the opportunity to review and sign off on the District’s Parent & Family Engagement Plan. Before this occurs parents will be invited to meet with the PFE members and review the existing plan. The purpose of the meeting will be to update the plan to meet the changing needs of families and the school, get insight on how parents think the best way to distribute will be and make the plan available to the local community. The review process will take place during a scheduled PTA meeting. Advance notice will be given so all interested parents will have advance notice of the meeting. This will be done in accordance with Every Student Succeeds Act (ESSA) Public Law 114-95 Section 1112, Local Educational Agency Plans; Section 1114, Schoolwide Programs; and Section 1116, Parent and Family Engagement from ADE-DESE.

Parents are provided a Bale parent handbook that includes the process for resolving parental concerns through due process, homework policy, dress code, Home School Learning Compact, District Mission, School Mission, and Parent Contract. Julia Cartwright, our parent facilitator, is available on campus daily. She may be contacted via email at Julia.cartwright@lrsd.org telephone at 501-447-3600.

2: Annual Title I Meeting

(Describe/List when (provide the month/year or month/day/year) the school will hold the Annual Title I meeting to inform parents of the requirements of Title I and the school’s participation as well as the parents’ rights to be involved. The Annual Title I meeting should not be used to ask for parent input, but provided as an opportunity to disseminate information and distribute copies of the revised parent and family engagement policy.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?

The Annual Title I Meeting is held each year and it is facilitated by the principal. The agenda, sign-in sheet, and minutes for the meeting are on file in the school's office. During the meeting parents are given information regarding attendance, tardies, class and homework policies, discipline and general expectations needed for their child to have a productive school year. Information regarding how and when to contact their child’s teacher is also shared. Bale shall submit evidence of the Title I meeting by completing the LRSD Annual Title I Verification Form and submitting to the Title I Office during the first semester. This will be done in accordance with Every Student Succeeds Act (ESSA) Public Law 114-95 Section 1112, Local Educational Agency Plans; Section 1114, Schoolwide Programs; and Section 1116, Parent and Family Engagement from ADE-DESE.

We will engage parents in the annual evaluation of the Title I Program's parental involvement efforts by conducting a needs assessment involving staff, stakeholders and parents. The committee will make adjustments or changes when necessary. The evaluation will include numbers that indicate whether the level of parent participation in meetings and activities has improved and the impact of parental participation on student achievement. The meetings will take place in at the beginning of the year (September), Midyear (January) and end of the year (May). The school shall submit evidence of the Title I meeting by completing the LRSD Annual Title I Verification Form and submitting to the Title I Office (November 2020). (Dr. Roxie Browning-447-3600).

3: Communications
Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?
Bale's staff and parents will work together to create a Home/School Learning Compact. It outlines how parents, students and staff share the responsibility for improving students’ academic achievement levels. All stakeholders will have input and be required to sign the contract. Parents will have the opportunity to be involved in the development, implementation and evaluation of the school-wide improvement plan.

4: School-Parent Compact
(Describe/List the process the schools will follow to jointly develop with parents a school-parent compact.)
5: Reservation of Funds

(If the district receives more than $500,000 in Title I allocation, then it must reserve 1 percent for parent and family engagement activities. A minimum of 90% of that 1% must go to the schools, with priority given to high-need schools. If the school is allocated a percentage of the 1 percent, describe/list how the school will share with parents the budget for parent and family engagement activities and programs and how parents will be involved in providing input into how the funds are used.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?

LRSD receives over $500,000 in Title I Part A allocation, therefore, each Title I school receives an allocation for parents from the district’s Title I reservation/set-aside. As soon as Bale receives our annual parent and family engagement allocation, we will provide an update to the parents and begin using these funds to support parent & family engagement. Parents and family members of children receiving services under this part shall be involved in the decisions regarding how funds reserved under subparagraph (A) are allotted for parental involvement activities. Parents will be given opportunities through PTA and other meetings to voice their opinions, concerns and ideas regarding how Title 1 funds are spent. There will be general information shared with parents regarding the regulations of how the funds are distributed and what they can and cannot be used for during the school year. Based on the list parents will be asked for their input to help decide which program, activities, resources and materials would best benefit the students at Bale. This will be done in accordance with Every Student Succeeds Act (ESSA) Public Law 114-95 Section 1112, Local Educational Agency Plans; Section 1114, Schoolwide Programs; and Section 1116, Parent and Family Engagement from ADE-DESE. (Describe/List the process the schools will follow to jointly develop with parents a school-parent compact.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?

The School-Parent Title I Compact was reviewed and revised on May 18, 2020 via a team Zoom call in which parents gave their feedback to the plan and gave suggestions on what parents, students, and teachers could all agree on to ensure that students are successful at school. Parents should agree to:

- Give one on one attention focused on each child in the home for a few minutes each day
- Check each child's folder and backpack after school
- Follow through with any discipline needed after school has brought an issue to their attention
- Help their student or find the help their students need
- Connect with the teacher if their child needs help
- Attend parent teacher conferences
- Work as a partner with school personnel to help children achieve state standards

Teachers should agree to:

- Ensure that there is an open line of communication from home to school easily accessible to families
- Ensure grades are posted in a timely manner
● Provide small group instruction
● Provide opportunities for conferences
● Provide opportunities for observation of classroom activities (can be in person or digitally)

Parent surveys will be giving out during the annual Title One meeting, which will be held on __________________ at ____. At this event, parents will receive the parental and family engagement involvement plan, along with information about Title I and Title I funding. Our PTA fosters parental and community involvement within the school through varying efforts such as the quarterly "Reading is Fundamental (RIF)". Fulbright provides resources for parents and students and affords them an opportunity to work with and/or communicate their concerns through the school's Parent Facilitator. A suggestion/comment box for parents is conveniently located in the school's Parent Center, which is located on the lower level of the building across from the Kindergarten pods. In the Parent Center, parents and care takers, as well as community visitors may check out materials (e.g. Parenting books and magazines); select from a large variety of free parent related brochures, pamphlets and resources; and use the computer to check grades or visit educational websites during school hours (8:00am-2:00pm). Informational family packets are created annually and distributed to parents. The packet includes a copy of the school's parent and family engagement plan, survey for volunteer interests, recommended roles for parents/teachers/students and school, suggestions of ways parents can become involved in their child's education, parent and family engagement activities planned for the current school year and information about the system that will be used to allow parents and teachers to communicate (notes, phone calls, e-mail). The school's handbook outlines the process for resolving parental concerns, including how to define a problem, whom to approach first, and how to develop solutions. The LRSD handbook is also a valuable resource that is reviewed with students throughout the year and made available to parents. During parent teacher conferences, parents may have the opportunity to review and sign off on the Districts Parent & Family Engagement Plan.

Fulbright provides its parents with an opportunity to be involved in the development, implementation and evaluation of the school wide improvement plan by sharing the school's academic plan and highlighting how we can do more to become a better place for learning during our annual parent workshop.

Upon request and to the extent possible, Fulbright Elementary School will provide communication in the language that parents can understand.

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?

Fulbright will communicate with parents to increase parent and family engagement to support classroom instruction by:

- Distributing weekly/monthly newsletters published by teachers, specialists, and the principal;
- Publishing the "Parent Page", which is a school-wide publication developed with the participation of the PTA, principal, nursing staff and counselor;
- Maintaining a school website that provides parents access to classroom information; such as schedules, homework, newsletters;
- Providing parents access to student's academic progress through HAC
- Providing parents with consistent behavior notifications school-wide using Class Dojo
- Encouraging parents to use email and communication folders to routinely communicate with members of the school staff (e.g. teachers, specialists, etc.) on an individual basis regarding their child's progress;
- Requiring each teacher to send home a folder containing student papers and work samples each week
- Providing weekly reports, interim reports and report cards- a parent-teacher conference will accompany the first 9 weeks' report card to discuss students' progress;

- Providing communication in the language that parents can understand, upon request.
- Distributing the school's Parent & Family Information Packet.
- Providing the opportunity during parent engagement activities to review, receive, and may sign off on the District's Parent & Family Engagement Plan.

Fulbright provides opportunities for parents and community members to support the foundation of the Little Rock School District's instructional programming through Reading Buddies, tutoring and mentoring. We will also compose and maintain a list of volunteer opportunities and solicit ideas for other types of volunteer efforts during orientation of parents throughout the school year. Parental instruction of how to incorporate developmentally appropriate learning activities and strategies at home are provided through our schools' Literacy and Math Nights as well as other parent-specific trainings (e.g. Homework Help, HAC access, Myon training, etc.). Teachers and Building administration will provide professional development designed to enhance their understanding of effective parent and family engagement strategies and the importance of administrative leadership in setting expectations and creating a climate conducive to parental participation.

A suggestion/comment box for parents is conveniently located in the school’s Parent Center, which is located on the lower level of the building across from the Kindergarten pods. In the Parent Center, parents and caretakers, as well as community visitors may check out materials (e.g. Parenting books and magazines); select from a large variety of free parent related brochures, pamphlets and resources; and use the computer to check grades or visit educational websites during school hours (8:00am-2:00pm). Informational family packets are created annually and distributed to parents. The packet includes a copy of the school's parent and family engagement plan, survey for
volunteer interests, recommended roles for parents/teachers/students and school, suggestions of ways parents can become involved in their child's education, parent and family engagement activities planned for the current school year and information about the system that will be used to allow parents and teachers to communicate (notes, phone calls, e-mail). The school's handbook outlines the process for resolving parental concerns, including how to define a problem, whom to approach first, and how to develop solution. The LRSD handbook is also a valuable resource that is reviewed with students throughout the year and made available to parents.

Fulbright kindly asks that parents and guardians consider completing a parent interest survey prior to the end of the school year. The survey will enable parents to evaluate the activities and events that their child/family participated in throughout the year and give them an opportunity to submit honest feedback about the ones that were most beneficial in supporting their child(s) academic and social growth. The results of the parent interest survey will be used to plan the parent and family engagement activities for the upcoming school year.

The Fulbright Administration, Grade Level Classroom Teachers (Pre-K through 5th), Specialists (Music, Art, PE, GT, Counselor, Reading Teacher and Multi-Site Math Facilitator) and the Parent-Teacher Association (PTA) plan/sponsor/host/facilitate numerous student-parent-family events throughout the year. All parties work together to ensure that the monthly meetings, activities and events promote a positive learning environment, encourage family participation, build teacher/staff and parent relationships, and increase parent and family engagement. Each event is thoughtfully planned with the parent/child relationship in mind.

Upon request and to the extent possible, Fulbright Elementary School will provide communication in the language that parents can understand. During parent teacher conferences, parents may have the opportunity to review and sign off on the Districts Parent & Family Engagement Plan.

1: Jointly Developed

(Describe/List how parents will be involved in the development of the school parent and family engagement plan and how parents will be involved in the planning, review, and improvement of parent and family engagement programs.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?
Gibbs Magnet will provide opportunities for parents to work collaboratively on planning and implementing our parent, family engagement plan. Our parents contributions are key to our success as a school community. Annually our school community will review the plan and make updates as the needs of our school community changes. Our parents are also invited to be involved in the development, implementation and evaluation of our Title I Schoolwide Plan which also serves as our School Improvement Plan. We are fortunate to have our parents engaged in the decision-making process in regards to student achievement.

Gibbs Magnet will involve parents on school improvement planning committees. Parents and staff will be provided with a brief training concerning this process by the school principal. This training will occur during the Fall Semester. Our principal and primary contact is Mrs. Tina Greenwood. She can be reached by telephone (501-447-4900) or email Tina.Greenwood@lrsd.org.

Gibbs Magnet will take advantage of the community resources to support our school improvement efforts. One of our primary supports is the Gibbs Parent, Teacher Association. Our collaboration will foster parental and community involvement in our school community. Contact Tongela Allen or Jamie Alverson at gibbsmagnetPTA@gmail.com for additional information.

2: Annual Title I Meeting

(Describe/List when (provide the month/year or month/day/year) the school will hold the Annual Title I meeting to inform parents of the requirements of Title I and the school’s participation as well as the parents’ rights to be involved. The Annual Title I meeting should not be used to ask for parent input, but provided as an opportunity to disseminate information and distribute copies of the revised parent and family engagement policy.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?

The Annual Title I meeting is very important and sets the stage for our work as collaborative partners with our parents. During the Annual Title I Meeting, our principal will share statewide assessment as well as the curriculum that we will follow at Gibbs particularly as it relates to the Science of Reading and our magnet focus. We will also share with parents the opportunities associated with operating a Title I Schoolwide Program. Parents will be provided information and understand their rights as parents. We make every effort to hold this meeting annually in the month of September. To verify that we have met this criteria, we will upload our agenda and sign-in sheets along with our Title I Annual Meeting Verification Form on or before the district’s deadline of November 1st annually.

3: Communications

(Describe/List how the parent and family engagement policy will be distributed to parents and how the school is going to communicate with parents including information about how the school will provide information related to school and parent programs, meetings, and other activities to parents in a format, to the extent practicable, and in a language that parents can understand.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?

Given these unprecedented times because of the global Coronavirus Pandemic, the communication between the school and home will be different. In order to ensure the continued well-being of our school community, the following guiding principles have been put in place:

1. Ensure a safe learning environment based upon the most current guidance from the Arkansas Department
of Health (ADH).
2. Ensure the continuity of teaching and learning by providing a guaranteed and viable curriculum that addresses unfinished learning from the prior year, introduces new learning while utilizing technology to enhance regular classroom instruction.
3. Support teachers in providing virtual instruction by providing training in technology, blended learning (delivery of instruction), addressing social and emotional needs of students and self, and culturally responsive practices.
4. Provide guidance and support for educators, parents and students in the areas of health, safety, and social emotional learning.
5. Engage educators, parents, students, and the community.

To ensure that we are meeting the needs of parents and students we will communicate with parents in various ways we will:

- use surveys with our stakeholders at the end of the year to help develop goals and objectives for the next school year. This survey will be distributed by the parent facilitator and/or the PTA. For more information, contact Tongela Allen or Jamie Alverson at gibbsmagnetPTA@gmail.com or Renada Burt at 501-447-4900 or Renada.Burt@lrsd.org.
- distribute volunteer opportunities to all parents. Then, a volunteer resource document will be created and shared with staff and parents. This living document will be displayed in the Parent Center on the Volunteer Job in the Fall of each year.
- use the school website and eSchool to communicate pertinent school information to our school community. eSchool provides parents access to their child's grades and parents may use eSchool to communicate with their child's teacher. Contact our Main Office Administrative Assistant by calling 501-447-4903.
- ensure two parent teacher conferences per school year for individual parents to discuss academic and behavioral progress of their students. Parent teacher conferences will be held during the Fall (October) and Spring (February) annually. The specific dates and times are included in the LRSD Calendar.

4: School-Parent Compact

(Describe/List the process the schools will follow to jointly develop with parents a school-parent compact.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?

Gibbs Magnet will work with parents to develop a school-parent-compact. This compact will outline how parents, school staff and students share the responsibility for improving student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state’s high academic standards. All Stakeholders will sign the compact.

This compact will outline how parents, school staff, and students share the responsibility for improving student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state’s high academic standards. All parents will attend 2 parent conferences (virtual and/or in person) throughout the year to discuss student progress on daily instruction and school, district and state assessments. Parents have the opportunity to visit the classrooms and volunteer for a variety of activities throughout the school year. (See Ready for Learning plan for information in regards to visitors.)

The Little Rock School District's 2019-2020 preliminary Title I, Part A allocation was greater than $500,000.00. The Parent and Family Engagement Committee will review the results
from the survey and provide input regarding the allotment of funds for parent and family engagement activities. Past examples of spending include Family Game Night, Family Camp Night, Family STEM night, Parent Center materials, and homework help kits.

Resources are provided for parents in the Parent Center. Parents may check out materials, use the computer to check grades, and visit educational Web sites. The school will ask parents to assist in providing virtual field trips to their places of employment or to other places of interest.

The school will continue to work with the PTA and community stakeholders. We will continue to seek additional community partners. 1: Jointly Developed

(Describe/List how parents will be involved in the development of the school parent and family engagement plan and how parents will be involved in the planning, review, and improvement of parent and family engagement programs.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?
The vision of Mabelvale Elementary is to equip students to be personally and educationally ready through innovation, creativity, and risk taking. We want to work with students, teachers, parents, and community members to encourage everyone to grow and have a voice at our school. Mabelvale is dedicated to working with our families in order to help everyone be successful.

**Title 1 Parent and Family Engagement: Type 1 Parenting; Type 5 Decision-Making**

Mabelvale Elementary plans to have meaningful, two-way, communication with parents involving student academic learning and other school related activities. Mabelvale Elementary will provide opportunities for parents to be involved in the development, implementation, and evaluation of the parent and family engagement plan, the school wide improvement plan, and the Annual Title 1 meeting. We want to give parents the opportunity to have a voice and help with decision-making regarding our school’s Title 1 program. We plan to do this by conducting meetings, via face to face or through zoom, throughout the year. Furthermore, we plan to have our annual Title 1 meeting in September 2020.

**Annual Evaluation of Parent and Family Engagement Plan: Type 5 Decision Making.** Mabelvale will provide parents the opportunity to submit any comments to the school if the Title 1 Schoolwide Plan is not satisfactory.

Mabelvale Elementary will involve parents in the evaluation of its parent and family engagement activities. Mabelvale will do this by conducting an annual needs evaluation completed by the staff, teachers, and parents. This evaluation will be in the form of a survey which will collect information about parent needs, parent participation, engagement of parents in activities to support academic growth, and ideas on how to better our program and involve parents. Mabelvale Elementary serves approximately 520 students with experienced and dedicated staff. Mabelvale Elementary communicates with parents in various ways to increase parental family, and community engagement to support classroom instruction. All communication that's disseminated to parents and the community is available in English and Spanish. Listed below are the different ways Mabelvale Elementary will communicate with parents and families:

- Teachers will schedule a minimum of two (2) parent/teacher conferences on the below mentioned dates during the school year to discuss academic achievement and have all parties sign (teacher, parent, student, principal) Home-School Compact. Parents will be given a summary of the student's test scores and an explanation of the intervention's teachers are using to assist the child in reaching achievement goals. Parents will be asked to engage in discussion of how they can support these efforts. Parents will also be given suggestions for coordinating school-parent efforts and explanations of homework and grading procedures. During parent teacher conferences, parents may be provided the opportunity to obtain, review, and sign a receipt for the District's Parent & Family Engagement Plan. Dates for 2020-2021 Parent/Teacher Conferences: October 8th, 2020 from 3:00-6:00, October 9th, 2020 from 8:00-12:00, February 11th, 2021 from 3:00-6:00, and February 12th, 2021 from 8:00-12:00. Contact: Your child's teacher #447-5400.

Teachers often provide training sessions and opportunities for parents and community members on the information needed to participate as successful school volunteers. These efforts assist the parents and create a sense of ease and make the experience pleasant and successful. All parent meetings will be held during appropriate times to ensure equity in parental and family engagement.

- The administrators and staff at Mabelvale welcome phone calls, emails and visits from parents to discuss any cares, offer suggestions or express concerns for their child. Contact Kelecia Glover, 447-5402

- A monthly newsletter is distributed to update parents on the school's curriculum, volunteer opportunities, recent health concerns, and school events.

- Classroom teachers send home weekly newsletters informing parents about weekly instructional strategies, school events, volunteer opportunities and contact information. Contact your child’s teacher.

- Parents will receive access to eSchool. This is a website designated for parents to receive specific feedback of their child’s progress in the classroom.

- As part of our Title 1 funding students, parents and teachers will sign a Parent Compact. The parent compact outlines how parents, school staff, and students share the responsibility for improving student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve. This compact is a commitment among the parents, the teachers, and the students to actively engage in activities, create habits, and foster behaviors that will contribute to successfully achieving this goal. Otter Creek Elementary and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Act (ESEA) (participating children). They all agree that this compact outline how the parents, the entire school staff, the students and community partners will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve academic growth on the Arkansas state’s high standards assessments.

Otter Creek Elementary will use feedback from parent surveys to evaluate activities parents feel will be most beneficial in supporting their children academically. Information gathered from the surveys will allow Otter Creek Elementary to offer specific, relevant life-skill workshops that will empower parents to improve their quality of the student education. Parent surveys will be given twice a year and each workshop will be evaluated to determine the overall effectiveness.

Don R. Roberts Elementary’s mission is to encourage, engage, and equip students for educational and personal excellence in a diverse and global community.

With our students, staff, families, and community at our core, we will:

- Encourage innovation, creativity, and risk-taking
- Celebrate a culture of belonging
- Strive for the safest learning environment
- Commit to identifying and eliminating barriers to educational achievement for all learners
- Facilitate the equitable use of resources to meet the needs of all learners

2020-2021 School Parent and Family Engagement Plan

Roles of Parents, Students, and School

School Responsibilities
The Roberts Elementary School will:
1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State’s student academic achievement standards.
2. Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child’s achievement.
3. Provide parents with frequent reports on their children’s progress.
4. Provide parents and families reasonable access to staff. Contact any staff member using the phone roster or email to schedule an appointment.
5. Provide parents and families opportunities to volunteer and participate in their child’s class and to observe classroom activities.

Parent/Family Responsibilities
Parents and families are encouraged to support their children’s learning in the following ways:
1. Monitoring attendance.
2. Ensuring that homework is completed.
3. Monitoring the amount of television children watch.
4. Volunteering in their child’s classroom.
5. Participating, as appropriate, in decisions relating to my child’s education.
6. Promoting positive use of my child’s extracurricular time.
7. Staying informed about my child’s education and communicating with the school by promptly reading all notices from the school or the school district either received by my child or by mail and responding, as appropriate.

Student Responsibilities
Students are expected to share the responsibility to improve academic achievement and achieve the state standards. Students will support their academic achievement by doing the following:
1. Do my homework every day and ask for help when I need it.
2. Read at least 30 minutes every day outside of school time.
3. Give my parents or the adult who is responsible for my welfare all notices and information received by me from my school every day.

5: Reservation of Funds TBD based on district allocation

(If the district receives more than $500,000 in Title I allocation, then it must reserve 1 percent for parent and family engagement activities. A minimum of 90% of that 1% must go to the schools, with priority given to high-need schools. If the school is allocated a percentage of the 1 percent, describe/list how the school will share with parents the budget for parent and family engagement activities and programs and how parents will be involved in providing input into how the funds are used.)

If Roberts receives any funding from the district, a meeting will be held with families and staff to determine how to best utilize these funds. Initial thoughts are to utilize funds for our Roberts Family Conversation events that focus on topics related to our families and students (such as internet safety, mental health, and conflict resolution). Another possibility is to use the funds towards the translation service, ELSA, that our school provides.
6: Coordination of Services

(Describe/List how the district and/or school will coordinate with other organizations, businesses, and community partners to provide additional supports and resources to families.)

- Don R Roberts will provide a list of volunteer opportunities and solicit ideas for other types of volunteer efforts during orientation. These volunteer opportunities will be provided at Meet the Teacher and the first PTA meeting of the year. For more information, contact Allison Weatter at 447-8311.
- Working with the various LRSD middle schools to help provide a smooth transition from one school to the next by raising parent awareness of procedures and related activities. For more information, contact the counselor at 447-8312.

Due to increased social media access, our school website, Instagram, Twitter, and Facebook pages will be updated regularly. Our technology specialist will design and implement a school ParentLink telephone message system that will call every parent who provides the school with a working telephone number weekly to announce all school related activities and events (Debra Sloan, 447-6321).

(INDISTAR: #1 – JOINTLY DEVELOP) Romine will engage parents in the annual evaluation of the Title 1, Part A Program’s parental involvement efforts through an annual perceptual survey using a comprehensive needs assessment completed by parents, teachers and students at the end of the year(Tyrone Harris, 447-6300) A team of teachers, parents and Title 1 staff will review the perceptual data and make changes and revisions for school improvement if necessary. The school will collect data and specific information for recording the number of annual VIPS hours for the school (Teresa Knapp-Gordon, 447-6300). In addition, data will be collected to record parent attendance for all scheduled parent conferences and attendance for Family Literacy/Math Night. Data will be collected to compare the current year Daily Attendance Rate with the previous year’s Daily Attendance Rate (Tyrone Harris and the Romine Leadership Team, 447-6302). Parents will be given the parent interest survey at the Parent Teacher conferences in October. The results of the surveys will be reviewed by a school team made up of teachers, parents and Title 1 school staff, and plans will be made by the team to identify and use suggestions feasible to plan and implement (Tyrone Harris, 447-6300) Romine will sponsor an annual parent meeting to inform parents of the General Education Requirements for all students. Parents will be provided information of the
district's requirement that all students participate in the Common Core Curriculum unless their parents or guardians or the students 18 years of age or older sign a waiver form to not participate (Tyrone Harris, 447-6300)

(INDISTAR: #2 – ANNUAL TITLE I MEETING) Romine will conduct its Annual Title 1 meeting on September 17, 2020 for all parents. This meeting will be held separately for the purpose of providing information, explanation and description of the school curriculum, and academic assessments used to measure student progress and information on proficiency levels students are expected to meet. The agenda, sign-in sheet and minutes will be collected and copies will be uploaded in our Title 1 Crate, and a copy kept in the school's file (Tyrone Harris, 447-6302).

(INDISTAR: #9 – DISCRETIONARY) Romine Elementary School is a member of Johns Hopkins University of National Network of Partnership Schools (NNPS). To support the six types of involvement, Romine participates on the LRSD NNPS West Schools Cluster Team. For more information, Contact the Parent Facilitators: Debra Sloan(447-6321), Dequonce Marbury (447-6314).

1: Jointly Developed

(Describe/List how parents will be involved in the development of the school parent and family engagement plan and how parents will be involved in the planning, review, and improvement of parent and family engagement programs.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?

Stephens Elementary is a member of Johns Hopkins University National Network of Partnership Schools (NNPS). The NNPS School, Family and Community Partnership model was designed to enhance parent participation and involvement in the school and community. The researched-based model references six types of involvement: Parenting (Assist families with parenting skills and setting home conditions to support children as students also, assist schools to better understand families); Communicating (Conduct effective communications from home-to-school and from school-to-home about school programs and student progress); Volunteering (Organize volunteers and audiences to support the school and students. Provide volunteer opportunities at various times and locations). Learning at Home (Support families at home with resources and supports for homework and other curriculum-related activities). Decision-Making (Include families as participants in school decisions, develop parent leaders and representatives as role models); and Collaborating with the Community (Coordinate resources and services from the community to families, students, and the school, and offer supports from families, students and the school service to the community). To support the six types of involvement, Stephens participates in the LRSD NNPS Central-East School Cluster Team.

Stephens Elementary delivers information and solicits input from our parents and families through our Annual Title I meeting. We discussed The school theme, practice and Compact for the year, Title 1 funding allocations for the school year, our school curriculum, academic assessments, PBIS behavior expectations, and how our parents can obtain resources needed for student success and provide feedback to administration throughout the school year.

The principal, teachers, and parents helped to update School-Parent-Compact which is distributed to parents in August of each school year, at the Student Registration "Check-In", and when new families enter the school. The compact is a living document that explains how parents, school staff, and students all share the responsibility in providing a scholarly education.

The Parent and Family Engagement Center provides resources/information for parents, families, students, and the community. There are Books/Brochures/Pamphlets to assist our students with uniforms, other school wide incentives, and after school program availabilities.

Stephens has Community Partners meetings that are open to parents to provide feedback. Parents can participate and access school computers in the library and parent center parents to share comments and suggestions for follow-up.

Our school Facilitator collaborates with parents and faculty to provide academic tutoring and resource options for students and families; our school counselor is available to counsel our students and collaborate with parents regarding attendance and student behavior. She offers transitional assistance to our families and provides behavior assessment referrals to our School based clinic as needed. Our School counselor assesses the nutritional needs of our families and provides some weekend meals for students. Stephens also has a weekend food pantry program that aids in meeting the nutritional needs for our families. Stephens has an in-house bank which promotes financial literacy to our students and families.

Our Engagement Coordinator often meets with new students and parents to provide Title I information and resources on how to access our school-based health clinic staff for social and emotional needs. Our Parent Facilitator assistance families with components needed for academic success and our Parent & Family Engagement
Coordinator assist parents through surveys that address school climate; forwarding feedback and following up to the administration for District referral or contact regarding Title I Schoolwide Plan dissatisfaction or transitional assistance needs.

Parent surveys evaluate program needs within the school. The principal and the Parent and Family Engagement Committee meets to discuss the outcomes of the surveys and how to use data to implement, evaluate, and enhance parental engagement in the school. Stephens Parent and Family Engagement

2: Annual Title I Meeting

(Describe/List when (provide the month/year or month/day/year) the school will hold the Annual Title I meeting to inform parents of the requirements of Title I and the school’s participation as well as the parents’ rights to be involved. The Annual Title I meeting should not be used to ask for parent input, but provided as an opportunity to disseminate information and distribute copies of the revised parent and family engagement policy.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?

Our Annual Title I is to inform parents of the requirements for school participation as well as parent's right to be involved. Stephens will present our parents with school curriculum updates, academic assessment information, funding, and student resource availabilities. The agenda, sign-in sheets, and minutes are on file. The Parent & Family Engagement Information Packet will be available for distribution during the meeting. The school shall submit evidence of the Title I meeting by completing the LRSD Annual Title I Verification Form and submitting to the Title I Office (November 2020).

Contact: Phillip Carlock Principal, (447-6400)

3: Communications

(Describe/List how the parent and family engagement policy will be distributed to parents and how the school is going to communicate with parents including information about how the school will provide information related to school and parent programs, meetings, and other activities to parents in a format, to the extent practicable, and in a language that parents can understand.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?

Stephens will increase Parent and Family Engagement participation in the following ways: Notices will be placed on Stephens Webpage, distributed at initial enrollment, and offered in a language parents can understand. Parents are provided copies of the School plan upon request and copies made available at Parent-Teacher Conference. Parent can also sign-off on the LRSD District Parent & Family Engagement plan during Parent-Teacher conferences.

We must continue to support our Stephens families as we adjust to the "New Normal" and transition into the 2020-2021 school year. School approaches for engaging families must evolve as the District gravitates towards social distancing and alternative methods of teleconferencing with families, such as Webinars, Zoom, and small group gatherings, usually consisting of no more than 10 participants.

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?
Wakefield Elementary School
LRSD Parent and Family Engagement
2020-2021

School Mission: The mission of Wakefield Elementary School is to provide each student with a developmentally appropriate education that will lend itself as the foundation for future learning. Assisted by parents, teachers, and the community, students’ social and educational needs will be met which will provide them with the opportunity to become productive lifelong learners.

Wakefield is a school-wide Title I school for grades Kindergarten – 5th grade. All (100%) of our students are on free and reduced lunch. This will be our ninth year of participation in the Breakfast In The Classroom Program.

To ensure collaboration and inclusion, all parents will have an opportunity to review our school's Parent and Family Engagement Plan. Annually we will survey our stakeholders incorporate changes based on the needs or parents, students, staff and community.

To increase parent involvement, Wakefield will communicate with parents and support classroom instruction by hosting a Family Literacy Night and Family Math Night to teach parents’ strategies to assist their child/children with literacy and math skills. Teachers will provide parents literacy/math family activity kits. Teachers will distribute a monthly newsletter which will highlight skills being taught in the classroom. Teachers will keep their eSchool accounts updated with pertinent information concerning students in their classroom. The school will provide information explaining the school's involvement with the LRSD’s reading initiative and how the parents can be involved in supporting the goals of this initiative.

To ensure that parents have access to the parental involvement plan for the district, the plan will be available online. In addition, hard copies will be available in the parent center, located in the library. Copies of the plan will be available in Spanish as well. During parent teacher conferences, parents will be provided the opportunity to voice concerns about the plan, and the comments will be turned in to the district.

Wakefield will plan the following meetings/activities to increase parent involvement and build staff and parent capacity:

Fall Activities
- Open House-Walk-through/Parents Make A Difference Session
- K-2 Math/Literacy Night
- K-5 Math/Literacy Night
- Annual Title 1 Meeting
- Parent Teacher Conferences
- Fall Festival
- Charity Dinner
- Class Holiday Parties
- School-Wide Incentive Movie

Spring Activities
- Parent Teacher Conferences
- Black History Program
- ELPA- ESL testing
- Valentine's Parties
- ACT Aspire Testing
• Accelerated Reader Ceremony
• Field Day
• Fifth Grade Promotion

The teachers and administrators will provide information to parents about volunteer opportunities during parent conferences and through the school website. A monthly calendar of events will be distributed to all students which will include the monthly lunch menu to assist with nutritional meal planning. A parent volunteer training will be held, September 12, 2020, to provide instruction on how to incorporate developmentally appropriate learning activities in the home environment. In an effort to help students transition smoothly to middle school, Wakefield will raise parent awareness of procedures and activities by participating in a middle school parent night in the spring. A minimum of two hours of parental involvement professional development will be provided for the staff every fourth year designed to enhance understanding of effective parent involvement strategies. The importance of administrative leadership and setting expectations to create a climate conducive to parental participation will be addressed.

School staff, parents, and selected students have developed a parent-student compact. This compact outlines how parents, school staff, and students share the responsibility for improving student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high academic standards. The compact will be signed by all the stakeholders. (Contact Child's teacher)

The Parent-Teacher Association (PTA) will encourage parental and community involvement with our school by coordinating and integrating parental involvement strategies through supportive programs such as our Children International, UALR Dental Clinic, and our partners in education. Parents will be recruited to serve on our school improvement planning committee. Based on the results of the parent needs assessment distributed in the Fall, the committee will make decisions about the allocation of our Title I, Part A parental involvement funds. Contact 447-6600 (leave a message)

Parents may check out materials and use the computer to visit educational websites in our Parent Center (Room 147) between the hours of 8:00 a.m. and 2:00 p.m. Parents will also be encouraged to view our Title I plan located in the Parent Center. Informational packets will be distributed each year which will include a copy of our parental involvement plan, survey for volunteer interests, and suggestions of ways parents can become involved in their child's education. Parents will be provided with an events calendar and information about ways that teachers and parents communicate through email, notes, phone calls, newsletters, and conferences. Wakefield will promote and support responsible parenting by purchasing parenting books, magazines and other materials regarding responsible parenting through the school library as funds are available. The school policy handbook will include the process for resolving parental concerns including how to define a problem, whom to approach first, and how to develop solutions. The principal will designate at least one certified staff member who is willing to serve as the parent facilitator.

Parent interest surveys will be sent out in the fall and spring of each school year. A comprehensive needs assessment will be completed by teachers, parents, school staff, students, and community partners to determine the effectiveness of the parental involvement plan and make changes if needed.

Parents will fill out a parent interest survey at the beginning of each school year to get input concerning activities they feel will be most beneficial in the efforts to support their child. The results of the survey will be used to plan meaningful activities throughout the school year. At the end of the school year, we will evaluate the activities that were suggested by parents to determine any changes needed for the upcoming school year. (Contact: Stacie Breshears 447-6650)

Wakefield Elementary School will involve parents on school improvement planning committees. To support this process, the school will offer both school staff and parents training on how to contribute to this process in a meaningful way. To take advantage of community resources, we will consider recruiting alumni from the school to create an alumni advisory commission to provide advice and guidance for school improvement.

The National Network of Partnership Schools (NNPS) NNPS invites schools to use research-based approaches to organize and sustain excellent programs of family and community involvement that will increase student success in school. Wakefield Elementary collaborates and supports the LRSD Southwest Schools Cluster Team. Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?

Given these unprecedented times because of the global Coronavirus Pandemic, the communication between the school and home will be different. In order to ensure the continued well-being of our school community, the following guiding principles have been put in place:

1. Ensure a safe learning environment based upon the most current guidance from the Arkansas Department of Health (ADH).
2. Ensure the continuity of teaching and learning by providing a guaranteed and viable curriculum that addresses unfinished learning from the prior year, introduces new learning while utilizing technology to enhance regular classroom instruction.
3. Support teachers in providing virtual instruction by providing training in technology, blended learning (delivery of instruction), addressing social and emotional needs of students and self, and culturally responsive practices.
4. Provide guidance and support for educators, parents and students in the areas of health, safety, and social emotional learning.
5. Engage educators, parents, students, and the community.

(Describe/List how parents will be involved in the development of the school parent and family engagement plan and how parents will be involved in the planning, review, and improvement of parent and family engagement programs.)

Does the School Parent and Family Engagement Plan describe how the school will accomplish each of the required components?
We, at Williams Magnet School, are committed to providing a basic skills curriculum where each child can become a higher performer, responsible citizen, critical thinker, and motivated life-long learner. We believe that this commitment can be best accomplished in a structured, child-centered, safe environment supported by involved parents and dedicated staff members. Our mission statement reflects the philosophy we strive to meet each day. The partnership between our parents and staff is critical to accomplishing this mission.

Academic excellence is our top priority at Williams Magnet, and we believe there is a vital connection between teaching excellence, student performance and parental involvement. Parents, teachers, and students will share the responsibility for improving student academic achievement. Communication is essential in developing a partnership to help students achieve the state’s high academic standards. Current test data indicates that our students not only met all state required benchmarks but exceeded these benchmarks by several percentage points. We hope to inspire our parents to participate with our staff in enriching and improving education. Williams Magnet is a Title I school due to the number of students receiving free and reduced lunches. At this time, approximately 58.59% of the Williams Magnet’s population receives free and reduced lunches.

As a component of the Williams Magnet School’s Parent Involvement Plan, the school shall jointly develop with parents a teacher/parent/student compact that outlines how:

- Parents, teachers and students will share the responsibility for improving student achievement and the means by which the school and parents will build a partnership to help children achieve the state's high standards.
- The school will provide a high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served to meet the state’s academic achievement standards.
- Each parent will be responsible for supporting their child's learning; and participating, as appropriate, in decisions relating to the education of their children and positive extracurricular time.
- The compact will also address the importance of communication between teachers and parents on an on-going basis.
- Parent-teacher conference at the school, annually, during which the compact will be discussed as it relates to the individual child's achievement.
- Quarterly reports to parents on their child's progress will be provided.
- Opportunity for reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities will be provided.
- The compact will be signed by parents in October, 2020.
