Welcome to Schoology! Your parent access code for insert First name Last Name is insert Parent Code. Below you will find instructions on how to set up your parent account in Schoology. For more in-depth guidance on specific Schoology features, check out our Help Center at support.schoology.com. You can find our online Parents Guide here.

What Is Schoology?
Teachers use Schoology to post their classroom materials online; provide a safe forum for students to discuss their ideas and collaborate on projects; and to assign and collect homework electronically. It helps students stay organized and it keeps the class connected.

A Schoology Parent Account gives you access to:
- The classes your child is enrolled in.
- Your child’s upcoming assignments.
- School and class announcements.

Schoology makes it easy for parents to stay involved in their children’s education.

To sign up for your parent account go to www.schoology.com.
1. Click Sign Up at the top of the page and choose Parent.
2. Enter your Parent Access Code. The access code for Insert First Name is insert Parent Code.
3. Fill out the form with your information.
4. Click Register to complete.

When you use a Parent Access Code to create an account, you are automatically associated to your child. You can add additional children to your account using the Add Child button.
- Parent Access Codes are unique to each student but can be used to make multiple parent accounts.
- If your Parent Access Code does not allow you to register or, if the code does not have 12 digits, please contact your child's instructor or school for more information.
