Elementary School Support
NWEA Maps (K-10) Interim Assessments

Measures what students know and informs what they’re ready to learn next. By dynamically adjusting to each student’s responses, MAP creates a personalized assessment experience that accurately measures performance.

Timely, easy-to-use reports help teachers teach, students learn, and administrators lead.

Elementary School Support

Rockefeller Elementary Celebrations
Rockefeller Elementary showed AVERAGE growth over the last two years in Math, Science, Reading and English in 3rd to 4th grade cohorts and 4th to 5th grade cohorts.
**Climate and Culture**
RE will interact instructionally, managerially and socially in a manner daily (90%) of the time that is encouraging and supports the school community of students with feedback and praise.

**Leadership**
RE with help from PLCs and principal will build the building leadership capacity in order to keep the focus on improvement of instruction and student achievement by attending and collaboration in 70% of meetings.

**Effective Instruction**
RE will use PLCs to Implement a tiered instructional system that aligns instructional methods with student needs across all tiers.

**Parental Involvement**
RE will provide guidance for teachers and parents (families) that focus on high expectations of students for both academic achievement and behavior to decrease time loss on instruction daily.

**Student Achievement**
Improve yearly student achievement through teaching/modeling metacognition processes/strategies and promoting social emotional competency in reading, writing, math and science by showing a years growth (50%)

Romine SMART Goal: By May 2019, there will be an increased understanding of student's cultural differences as measured by a 10% decrease in discipline referrals and a 10% increase in literacy scores due to improved literacy instruction provided to Romine students served, from February 2018 through June 2019.
Romine Elementary School will use the Grade Level Team PLC meetings to collaborate, prepare to implement a tiered instructional system, and analyze individual student data in core subject areas. Teachers will align instructional methods with student needs across all tiers of instructional strategies to meet the 2018-19 SMART Goal.

Effective Instructional Practice
2- 5th Graders won Fox 16 Anti-bullying Art Contest and were showcased on Fox 16. [Feb. 14, 2018]

Celebrations
Increased Parental Engagement and VIPS hours 10+ [4,500 hours] in 2017 increased to 100+ in 2018] 100+ hours which is equivalent to 62,000 hours this year which qualified us for the 100+ VIPS hours award.

Celebrations
Watson’s 5th Graders were selected by Supt. Poore to research and predict the coldest day in February for Poore Man on the Roof. [Feb. 9, 2018] Students were able to visit their Superintendent on the Roof.

Celebrations
Watson’s Cheerleaders won 1st place in district Elementary Dance and Cheer Competition.
Watson is going into Year 3 as a PBIS school! Positive results are evident!

Watson Elementary
NWEA Math Comparison Chart by RIT
Fall 2017- Spring 2018

Students Exceeded RIT
1. **Focus Area: Effective Instructional Practice** To strengthen instructional practices that support student achievement. Watson Elementary will continue to use the team structure to ensure sound instructional practices to support student achievement. Currently, our master schedule reflects adequate time for instructional team planning (grade level, content discipline/department). Our teachers will continue to implement selected evidenced based strategies that have proven effective in our core content areas such as (Kagan, SIOP strategies, Small Group Instruction/Guided Reading, Reciprocal Reading, Workshop Model).

2. **Focus Area: Student Discipline/School Culture** To empower students to embrace learning, achieve their personal best and build their emotional, social and physical well-being by empowering teachers with the tools and knowledge to shift to becoming culturally responsive with their instructional practices. Our focus for this year will continue include the incorporation and execution of a proactive, team-based framework for creating and sustaining a safe and effective school. Emphasis was placed on the prevention of problem behavior, development of pre-social skills, and the use of data-based problem solving for addressing existing behavior concerns. [Positive Behavioral Interventions & Support]--(PBIS) Watson’s rituals and routines will be taught and incorporated in classrooms with fidelity.

RTI Literacy Support
R.I.S.E. Arkansas Mission:
To develop a culture of reading in Arkansas by coordinating a statewide reading campaign with community partners, expand the depth of knowledge for educators to support student-focused learning, and increase access to books in homes.
• Connect the science of how students learn to read with classroom practice
• Deepen teacher knowledge, especially in the areas of phonology and phonics
• Encourage teachers and district decision makers to study and implement the research on reading
• Create a culture of reading across Arkansas

Goals of RISE Academy
SYSTEMATIC
  • A specific scope and sequence guides introduction and practice of skills

EXPLICIT
  • Clear and precise instruction is provided in every aspect of literacy learning

ASSESSMENT-DRIVEN
  • Connected assessments are used to individualize instruction, document student progress related to identified goals and outcomes, and provide necessary interventions based on students’ needs
Stages of Implementation

- Exploration
- Installation
- Initial Implementation
- Full Implementation
- Innovation
